Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The products involved are manufactured purely for the purpose of research, experiment, study or development under the conditions stated in the directive
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

This purchase (UHV System / Mass Spectrometer and Components issued by Freie Universität Berlin (FUB), FB Physik) constitutes a research apparatus (cluster beam source and diagnostics) which has been specially developed and constructed for conducting experimental research as that planned within the project funded by AU employee Marcel Mudrich's AUFF starting grant 'EUV spectroscopy of molecular and metal clusters'. Therefore

it is unique and no other supplier exists that could offer an equivalent apparatus. It is entirely owned by the FUB. This research has started at FUB and for continuing it at Aarhus University (AU) it is essential that AU purchase this apparatus from FUB and transfer it to AU.

VI.4.3. Review procedure

Precise information on deadline(s) for review procedures:

Appeals regarding pre-qualification must be received by the Complaints Board for Public Procurement (Klagenævnet for Udbud) within 20 calendar days counted from the day following the Contracting Authority has announced the decision of pre-qualification to the participating applicants.

Appeals regarding the award of the contract must be received by the Complaints Board for Public Procurement (Klagenævnet for Udbud) 45 days from the day following date of the publication of the Contracting Authority's notice in the Official Journal of the European Union that the Contracting Authority has entered into a contract.

The Contracting Authority must hold a mandatory standstill period of 10 or 15 calendar days from the day following the day on which the Contracting Authority forwarded a notice to the tenderers regarding the contract award.

If the notification has been made by electronic means (e-mail), the contracting authority shall at the earliest enter into a contract after the expiry of a standstill period of 10 calendar days. If the notification has been made by mail, the contracting authority shall at the earliest enter into the contract after 15 calendar days.

If the appeal is received by the Complaints Board for Public Procurement before the expiry of the standstill period, the appeal will automatically have temporary suspensive effect until the Complaints Board for Public Procurement has taken a decision on whether the appeal should have suspensive effect or not.

At the latest concurrently with submission of an appeal to the Complaints Board for Public Procurement, the complainant must inform the contracting authority of the alleged infringement and whether the appeal is to be referred to the Board.
