Section II: Object

II.1. Scope of the procurement

II.1.1. Title

0562020 Architect Services, Engineering Design Services, and Consultant Engineers, etc.

Reference number: 0562020

II.1.2. Main CPV code

71240000 Architectural, engineering and planning services

II.1.3.

Type of contract

Services

II.1.4. Short description

The Agency for Waste Management and Recycling would like to enter into a framework agreement with the aim of procuring necessary assistance within architect services, engineering design services, consultant engineers, as well as responsible applicant for work that requires applications on REG's installations in accordance with the planning and building act, as well as project and construction management for the implementation of building and construction projects. See the requirements/performance specification for further details. The contest is split into three lots. REG will enter into 2-3 parallel framework agreements within each lot.

II.1.5. Estimated total value

Value excluding VAT: 45 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: yes
Tenders may be submitted for all lots

II.2. Description

II.2.1. Title

Part 1: Architect, Engineering Design, and Consultancy Services
Lot No: 1

II.2.2. Additional CPV code(s)

71210000 Advisory architectural services, 71541000 Construction project management services

II.2.3. Place of performance

NUTS code: NO Norge

II.2.4. Description of the procurement

REG would like tenders for consultancy services for reviews, planning, engineering design services, and implementation within the following areas and phases: (The list is not exhaustive.)

- testing sites, feasibility studies;
- concept development (development of KVVU), draft project, feasibility studies;
- development work for the development of government properties;
- preparation of preliminary projects.

See the specifications for further details.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 07/09/2021 End: 06/09/2023

This contract is subject to renewal: yes

Description of renewals:

The contracting authority will have an option to extend the contract for a further 1 + 1 year on unchanged terms.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

The contracting authority will have an option to extend the contract for a further 1 + 1 year on unchanged terms.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2. Description

II.2.1. Title

Lot 2: Project Management and Engineering Design Management

Lot No: 2

II.2.2. Additional CPV code(s)

71210000 Advisory architectural services, 71541000 Construction project management services

II.2.3. Place of performance

NUTS code: NO Norge

II.2.4. Description of the procurement

Project management:

There will be variations in the work that can be relevant under this framework agreement.

Some assignments can be short limited assignments, but others can be of a longer duration.

We are looking for operative project managers for all phases in a construction project. Some assignments with independent project management in the early phase or in the construction phase can run over several years. Some assignments will require assistance for REG's other project management.

See the requirements specification for a more detailed description.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement:

Tenderers must be a legally established company.

Documentation requirement:

- Norwegian companies: Company registration certificate;
- Foreign tenderers: Verification that the company is registered in a trade register or company register as prescribed by the law of the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement:

- tenderers must have the economic capacity to carry out the assignment/contract.

Documentation requirement:

- the company's last annual financial statements including notes, the board's annual report and audit report, as well as recent information of relevance to the company's fiscal numbers;
- the contracting authority retains the right to obtain a credit rating from Bisnode Credit, which will be used as a basis in the evaluation.

If the tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, (for example a newly started business), the tenderer can document their economic and financial position with any other document that the contracting authority deems suitable.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement:

- tenderers must have good experience from corresponding deliveries of an equivalent scope.

Documentation requirement:

- an overview of the primary deliveries relevant to the contract that the supplier has performed in the last 3 years, including the contract value, delivery date and name of the recipient.

Requirement:

- tenderers must have good implementation ability

Documentation requirement:

- a statement of the tenderer's average workforce and the number of employees in the administration in the last 3 years.

Requirement:

- tenderers must have a good and well-functioning management system for quality and the environmental.

Documentation requirement:

- description of environmental management measures and quality assurance measures. Tenderers can document that the requirement is fulfilled by presenting a copy of relevant environment certificates/environmental standards, such as ISO 14001, ISO 9001, EMAS, Miljøfyrtårn (Eco-lighthouse), or equivalent, or by the tenderer attaching a description of the company's own system and routines.
