This should not however be taken as an acceptance by Surrey and Sussex Healthcare NHS Trust that any part of the 2006 Regulations or the 2004 Directive (other than those provisions specifically applicable to Part B Services procurement) apply to this Services Procurement

VI.3.2. Review procedure

Precise information on deadline(s) for review procedures: The Contracting Authority incorporated a standstill period at the point information on the award of the contract is communicated to tenderers. That notification provided full information on the award decision. The standstill period provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into.

The Public Contracts Regulations 2006 (SI 2006 No 5) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).
