Official name: Kristiansund kommune

Email: aleksander.ingvaldsen@kristiansund.kommune.no

Legal type of the buyer: Public undertaking

Activity of the contracting authority: General public services

2. Procedure

2.1. Procedure

Title: KK-DPS Consultancy services for reconstruction shelter Storhaugen

Description: Kristiansund municipality shall implement alterations and expansion of the shelter function at Storhaugen Health Centre. The current shelter is located on the 3rd floor of the south wing. The areas are not sufficient to fulfil the current requirements, and registered deviations related to the shelter regulations and the content of the tender. In order to close the deviations, it has been decided that the shelter function shall be moved from the current location on the 3rd floor to the 1st and 2nd floors of the south wing. This involves reorganisation of existing areas and the establishment of new functional systems.

Procedure identifier: 0d02a871-1252-43cc-bcb3-36b6ede912ae

Internal identifier: 26/02099

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: The main assignment There is a general draft for the first and second floors showing a possible disposal of the shelter function within the south wing. The draft is intended as a provisional conceptual basis for further engineering design services. The proposal must be verified, further developed and quality assured by the engineering design group. Consultant shall, through their own professional assessments, check that the proposed systems are technically and functionally feasible within the existing constructional and technical frameworks, as well as fulfil the current requirements and the project's functional and safety terms. Option for engineering design services and preparation of the tender documentation. Engineering design services for a new shelter based on a verified system, as well as the preparation of the tender documentation for a turnkey contract in accordance with NS 8407.
