Legal type of the buyer: Body governed by public law, controlled by a local authority

Activity of the contracting authority: Health

2. Procedure

2.1. Procedure

Title: MATERIALE OSTEOSINTEZA SI COMPLETARE DE PROTEZE

Description: Autoritatea contractanta doreste achizitionarea produselor de osteosinteza conform celor descrise in caietul de sarcini, impartite in 56 loturi. Obiectivele specifice ale achizitiei vizează sustinerea si imbunatatirea actului medical. Luand in considerare obiectul achizitiei si caracteristicile tehnice, se poate considera ca achizitia are un grad mare de complexitate. Specialistul solicita demararea procedurii de achizitie publica cu respectarea lotizarii din referat de necesitate NR.10/14.02.2024, iar motivul pentru care solicita comasarea produselor intr-un singur lot la loturile 30, 31, 32, 33, 34, 35, 37, 43, 49, 51, 52 este urmatorul: produsele sunt destinate tratamentelor unor patologii complexe care necesita compatibilitatea intre ele cat si cu instrumentarul, motiv pentru care loturile respective constituie un ecosistem interdependent. Aceste interventii chirurgicale devin mult mai dificile sau chiar imposibile in situatia in care implanturile folosite nu sunt din acelasi sistem, achizitia lor devenind astfel inutila. Specificatiile tehnice ale fiecarui lot in parte se regasesc in Caietul de sarcini Anexa 1 si in anexa la strategia de contractare. Se va incheia acord cadru pe o perioada de 24 luni. In intervalul unui an calendaristic se preconizeaza ca se vor incheia un numar estimativ de minim 1 contract subsevent si un numar maxim de 4 contracte subsecvente, frecventa celui mai mare contract subsevent putand fi incheiat la 3 luni. Cantitatile minime si maxime estimate ale contractelor subsecvente se regasesc in anexa 1 a strategiei de contractare si ale caietului de sarcini acestea se vor incheia in functie de necesitatile autoritatii contractante, cantitatile minime si maxime fiind estimative. Promitentul-achizitor nu se obligă a achizitiona nici cantitatea minima nici cea maxima pe parcursul acordului-cadru, specificata in anexa. De asemenea, cantitatea ce se preconizeaza a fi achizitionata pe parcursul acordului-cadru si specificata in documentatia de atribuire va fi achizitionata in functie de existenta fondurilor alocate cu aceasta destinatie si de necesitatile autoritatii contractante. In cazul temeinic justificat, cantitatea maxima estimata in acordul cadru poate fi suplimentata in conformitate cu prevederile art. 221 Legea 98/2016 privind achizitiile publice. Termenul limita in care AC va raspunde in mod clar si complet tuturor solicitarilor de clarificari /informatii suplimentare va fi a 11 a zi inainte de data limita de depunere a ofertelor conform art.160 coraborat cu art.161 din Legea 98/2016 cu modificarile si completarile ulterioare. Numar zile pana la care se pot solicita clarificari inainte de data limita de depunere a ofertelor/candidaturilor : 20 zile.
