II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

The procurement involves the establishment of a framework agreement

II.1.4. Short description of the contract or purchase(s)

The objective of the procurement is to enter into framework agreements which shall cover the

Municipal Undertaking for Social Housing's requirements for plumbing works. At present the Municipal Undertaking for Social Housing has an agreement for this field. This agreement expires 1.9.2016 and a new agreement must be entered into, subsequent to this expiration date. The Municipal Undertaking for Social Housing has a separate agreement on craft services for several disciplines in relation to indoor works, as well as an agreement on smaller contracts; mainly outdoor works. This also includes plumbing works where the assignment includes several disciplines. The current agreement involves plumbing works where this is the sole trade group in the assignment. The agreement will include works in inhabited apartments and common areas. The framework agreements shall be used by the entire Municipal Undertaking for Social Housing for relevant assignments. The framework agreement will also include works related to sprinkler systems.
