Main activity

Electricity

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Expanded Platform Based on Apache Kafka (EPAK) for Event Streaming

Reference number: EU-410

II.1.2. Main CPV code

72300000 Data services

II.1.3. Type of contract

Services

II.1.4. Short description

TenneT currently uses the free-of-charge Apache Kafka environment which is foreseen to grow and more paid license functionalities and paid support and consultancy requests are needed. Highover deliverables from the awarded tenderer should be to support TenneT's own on-premise data streaming as a service (DSaaS) which is reliable and secure in order to support critical processes and must comply to the data centre principles (active-active, high availability) and all data (incl. meta data) staying on-premise.

Added value can be contributed in the following categories of an 'Enterprise Kafka' suite: licenses, maintenance and support, including third line support, for the Kafka Enterprise Solution: for deployment and operations; data platform and integration capabilities; best practices on governance and security. Consultancy and training. An initial contract period of three (3) years is applicable with extension options of four (4) times two (2) years.
