The successful tenderer will be required to provide catering services at Glyn School.

Our aim is to provide the School with a more efficient and cost effective catering provision which is more in tune with the students and can be a more professional department within the School. Our financial objective is to achieve, at the very least a breakeven situation.

We intend to split the catering account into three parts so we can analyse the Sixth Form and the catering operation at Priest Hill.

We also intend to address the maintenance and replacement of the heavy kitchen equipment.

We encourage bidding contractors to consider ways in which they can increase the uptake of

student meals, ideas on marketing and promotional activity, and their plans for investing within the School's catering facility.
