II.2.3. Place of performance

NUTS code: NO082 Viken

Main site or place of performance: Sunnaas Sykehus HF 1453 Bjørnemyr.

II.2.4. Description of the procurement

As a vital part of the rehabilitation process for patients at Sunnaas Hospital Trust, a pool is used for activities that help patients return to a normal everyday life. Damages have been detected in the pool, around the pool and in the structures under the pool that must be repaired for further operation of the facility. Numerous smaller measures are also planned in the surrounding areas in connection with the pool facility.

All works are described in a building engineering description according to NS3420 and are based on the tender documents as a PDF and which the contractor can use for pricing.

The contracting authority has decided to keep certain works as options that are activated if the contracting authority so wishes.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 4 800 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 3

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

The contracting authority has decided to keep certain works as options that are activated if the contracting authority so wishes. The execution of the items is to be agreed upon with the contracting authority and is described under 'omfang og grunnlag' ('the scope and basis') in the tender documentation. The items must be priced in the same way as other items so that the tender contains a complete overview of all costs for the necessary disciplines.

See the Price form for more information.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information
