General public services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Packing and transporting of Compost Products

Reference number: 0542020

II.1.2. Main CPV code

77120000 Composting services

II.1.3.

Type of contract

Services

II.1.4. Short description

REG needs the service provider to collect garden waste compost, field compost and mulch from Grønmo miljøpark and transport the products to packing. All blending of products takes place at REG's facility and the service provider must be able to collect the goods for packing. The finished products, Dekkflis, TigerMark and Oslokompost will be packed in bags with a stated volume in litres. The service provider will transport the bags to REG's facility. See the attached requirement specification for further specifications.

II.1.5. Estimated total value

Value excluding VAT: 8 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

60000000 Transport services (excl. Waste transport)

II.2.3. Place of performance

NUTS code: NO Norge

II.2.4. Description of the procurement

REG needs the service provider to collect garden waste compost, field compost and mulch from Grønmo miljøpark and transport the products to packing. All blending of products takes place at REG's facility and the service provider must be able to collect the goods for packing. The finished products, Dekkflis, TigerMark and Oslokompost will be packed in bags with a stated volume in litres. The service provider will transport the bags to REG's facility. See the attached requirement specification for further specifications.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 8 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 30/08/2021 End: 29/08/2023

This contract is subject to renewal: yes

Description of renewals:

The contracting authority will have an option to extend the contract for a further 1 + 1 year on unchanged terms.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13.

Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement:

- tenderers must be a legally established company.

Documentation requirement:

- Norwegian companies: Company registration certificate;
- Foreign tenderers: verification that the company is registered in a trade register or company register as prescribed by the law of the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement:

- The tenderer must have the economic capacity to carry out the assignment/contract.

Documentation requirement:

- the company's last annual financial statements including notes, the board's annual report and audit report, as well as recent information of relevance to the company's fiscal numbers;
- the contracting authority retains the right to obtain a credit rating from Bisnode Credit, which will be used as a basis in the evaluation.

If the tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, (for example a newly started business), the tenderer can document their economic and financial position with any other document that the contracting authority deems suitable.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement:

- tenderers must have good experience from corresponding deliveries of an equivalent scope.

Documentation requirement:

- an overview of the primary deliveries relevant to the contract that the supplier has performed in the last 3 years, including the contract value, delivery date and name of the recipient.

Requirement:

- tenderers must have good implementation ability

Documentation requirement:

- a statement of the tenderer's average workforce and the number of employees in the administration in the last 3 years.

Requirement:

- Tenderers must have a good and well-functioning management system for quality and the environmental.

Documentation requirement:

- description of environmental management measures and quality assurance measures. Tenderers can document that the requirement is fulfilled by presenting a copy of relevant environment certificates/environmental standards, such as ISO 14001, ISO 9001, EMAS, Miljøfyrtårn (Eco-lighthouse), or equivalent, or by the tenderer attaching a description of the company's own system and routines.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 14/06/2021 Local time: 12:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.2.4. Languages in which tenders or requests to participate may be submitted

Norwegian

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Tender must be valid until: 14/09/2021

IV.2.7. Conditions for opening of tenders

Date: 14/06/2021 Local time: 12:00
