Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

1. Tenderers must be a legally established company.
2. Norwegian tenderers must attach a tax certificate (certificate for tax, payroll tax and VAT), not older than 6 months from the deadline for receipt of tenders.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

1. Tenderers must have sufficient economic and financial solidity to fulfil the contractual obligations.

Minimum level(s) of standards possibly required:

1. The contracting authority will evaluate the Tenderer's fulfilment of the qualification requirement in the following manner:

1. Credit rating

If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can prove his economic and financial capacity with another document, including for example a parent company guarantee, bank guarantee, etc.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have very good qualifications and capacity, related to the contractual obligations.

Minimum level(s) of standards possibly required:

1. Tenderers must provide an overview of key persons with relevant qualifications who will be responsible for any contract execution.
2. Tenderers must also present a list of at least 3 deliveries of offered equipment or comparable equipment to hospitals in Norway, Sweden and Denmark. The list must contain information about the value and dates and the name of recipients, and with confirmation from the individual recipient.
3. Tenderers must substantiate an efficient quality assurance system. (Can refer to a relevant European standard series or equivalent).

4. Tenderers are to describe their environmental management system that sees to the requirements for a low impact on the environment, or present documentation of ISO-14001 certification or equivalent.

5. If Norwegian tenderers (manufacturer or importer) use packaging, documentation must be submitted, at the latest by the tender deadline, which confirms that the tenderer is a member in a recycling scheme or that they fulfil the obligations through their own recycling scheme with their own scheme for final treatment where the packaging is taken care of in an environmentally sound manner. A membership certificate in a recycling scheme (Grønt Punkt Norge or equivalent recycling scheme) is to be attached to the tender.

III.2. Conditions related to the contract

III.2.3. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV: Procedure
