5.1.9. Selection criteria

Sources of selection criteria: Notice

Criterion: Enrolment in a trade register

Description of selection criterion: Requirements: Tenderers shall be registered in a company register, professional register or a commerce register in the country where the tenderer is established. Documentation requirement: • Norwegian companies: Company Registration Certificate. • Foreign companies: Verification that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

Criterion: References on specified deliveries

Description of selection criterion: Requirements: Tenderers shall have relevant experience from similar deliveries as described in the procurement documents. Similar means: • Customers with a large geographical dispersion • Large number of delivery locations
Documentation requirement: • Description of the tenderer's three most relevant deliveries in the course of the last 3 years. The description must include a statement of the assignment's value, date and recipient. It is the tenderer's responsibility to document relevance through the description. If a tenderer cannot refer to a minimum of three relevant deliveries in the last 3 years, documentation of relevant deliveries older than 3 years will be considered, but not older than five years.

Criterion: Environmental management measures

Description of selection criterion: Requirements: Tenderers shall have procedures for environmental management measures that contribute to minimising environmental impact. Documentation requirement: • Tenderers shall provide a description of their environmental management measures. Tenderers can also document the requirement by certificate from EMAS, ISO 14001, Miljøfyrtårn or equivalent certificates.

Criterion: Measures for ensuring quality

Description of selection criterion: Requirements: Tenderers shall have a relevant quality assurance system for the execution of the delivery. Documentation requirement: • Certificate for the tenderer's quality assurance system issued by an independent body that confirms fulfilment of quality assurance standards such as ISO 9001 or equivalent certificates issued by bodies in other EEA countries. Other documentation for equivalent quality assurance measures will also be accepted if the tenderer is unable to obtain such certificates by the deadline, and this is not due to the tenderer himself. It is a prerequisite that the tenderer documents that these measures are equivalent to the requested quality assurance standard.
