#### 2.1. Procedure

Title: Table top, field Exercises, Simulations, and Training (TEST) for CBRN risk mitigation-P106

Description: Facility for supporting the organization of table top, field exercises, simulation and training in the CBRN risk mitigation field. The geographic scope is "global". These exercises serve the purpose to test both the capacities acquired through the regional projects implemented under the EU CBRN programme and the functioning of the equipment delivered to the partner countries. The services provided will include drafting of scenarios, logistical support, production of visibility material, observation and evaluation of the performance of the exercises, recommendation and training if needed. The project can support also specific ad hoc high level trainings that are not provided through the usual regional projects.
