2.1. Procedure

Title: Single Supplier Framework for the Provision of Multi- Disciplinary Design Services for Bus Depots- PQQ stage

Description: The National Transport Authority (the “Authority”) is seeking an experienced Multi-Disciplinary Design Services Partner (“MDDSP”) to provide Multi Disciplinary Design Services for Bus Depots under a single supplier Framework Agreement. The services shall cover all the phases of the delivery of new and/or enhanced bus depot facilities, to support the operation of public bus services in Ireland from concept design/site selection/due diligence/planning all the way through to oversight of construction works. National policies and strategies for the decarbonisation of the transport system includes plans to significantly expand bus services and transition the bus and coach fleet away from diesel fuelled buses to zero emission technologies. In order to support both the expansion and transition to zero emission buses, it is necessary for the Authority to consider the supporting bus depot facilities that are required to deliver an efficient and effective bus system. The current level of bus depot provision will require significant expansion. It will be necessary to ensure adequate provision of electric charging infrastructure at depot locations while also considering the appropriate location of depots to reduce the impact of out of service mileage on the operation of electric bus fleets. It is intended that the Framework Agreement shall be in place for an initial period of four (4) years with the option for the Authority to extend on an annual basis for up to two (2) additional years. The estimated value of this Framework Agreement is €45,000,000. The maximum value of this Framework Agreement is €60,000,000. All interested parties are invited to submit a Pre-Qualification submission in response to this tender competition and full details of this tender competition are provided within the procurement documentation.

Procedure identifier: cbc2d75b-5353-4967-aebc-be3d6696c6a2

Previous notice: 30086543-d419-4f34-bc5a-225381e0c7cb-02

Type of procedure: Negotiated with prior publication of a call for competition / competitive with negotiation

The procedure is accelerated: no

2.1.1. Purpose

Main nature of the contract: Services

Main classification (cpv): 79415200 Design consultancy services

Additional classification (cpv): 71320000 Engineering design services, 71322000 Engineering design services for the construction of civil engineering works, 71322500 Engineering-design services for traffic installations

2.1.2. Place of performance

Town: Dublin

Country subdivision (NUTS): Dublin (IE061)

Country: Ireland

2.1.3. Value

Estimated value excluding VAT: 60 000 000,00 EUR

Maximum value of the framework agreement: 60 000 000,00 EUR

2.1.4. General information

5.1.1. Purpose

Main nature of the contract: Services

Main classification (cpv): 79415200 Design consultancy services

Additional classification (cpv): 71320000 Engineering design services, 71322000 Engineering design services for the construction of civil engineering works, 71322500 Engineering-design services for traffic installations

Options:

Description of the options: The framework agreement may be extended for an additional two years following the end of the initial four year term.

5.1.2. Place of performance

Country subdivision (NUTS): Dublin (IE061)

Country: Ireland

5.1.3. Estimated duration

Duration: 72 Months

5.1.5. Value

Estimated value excluding VAT: 45 000 000,00 EUR

5.1.6. General information

Procurement Project not financed with EU Funds.

The procurement is covered by the Government Procurement Agreement (GPA): yes

Additional information: The framework agreement will cover all phases from concept, site selection, due diligence and planning through to oversight of construction works. The Framework Agreement will be open to use by all 31 Local Authorities and bus operators contracted by the Authority to provide PSO bus services, which underpins the maximum Framework Agreement of €60,000,000.

5.1.7. Strategic procurement

Aim of strategic procurement: No strategic procurement

5.1.10. Award criteria

Criterion:

Type: Quality

Description: Quality @ 60%

Category of award weight criterion: Weight (percentage, exact)

Award criterion number: 60

Criterion:

Type: Cost

Description: Cost @ 40%

Category of award weight criterion: Weight (percentage, exact)

Award criterion number: 40

5.1.15. Techniques

Framework agreement:

Framework agreement, without reopening of competition

Information about the dynamic purchasing system:

No dynamic purchase system

5.1.16. Further information, mediation and review

Review organisation: The High Court of Ireland

Organisation providing additional information about the procurement procedure: National Transport Authority_1149

Organisation providing offline access to the procurement documents: National Transport Authority_1149

6. Results

Maximum value of the framework agreements in this notice: 60 000 000,00 EUR

6.1. Result lot identifier: LOT-0001

Winner selection status: At least one winner was chosen.

Framework agreement:

Maximum value of the framework agreement: 60 000 000,00 EUR

6.1.2. Information about winners

Winner:

Official name: AECOM Ireland Limited_15958

Tender:

Tender identifier: 000149930

Identifier of lot or group of lots: LOT-0001

Value of the tender: 60 000 000,00 EUR

The tender is a variant: no

Subcontracting: No

Contract information:

Identifier of the contract: 438932

Date on which the winner was chosen: 24/02/2026

Date of the conclusion of the contract: 11/03/2026

6.1.4. Statistical information

Received tenders or requests to participate:

Type of received submissions: Tenders submitted electronically

Number of tenders or requests to participate received: 6
