I.6. Main activity

Port-related activities

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Aberdeen South Harbour - Dredging, Disposal, Caisson Bedding and Revetment Works.

Reference number: 12-242

II.1.2. Main CPV code

45241000 Harbour construction works

II.1.3. Type of contract

Works

II.1.4. Short description

Construction of Aberdeen South Harbour has commenced. This tender is for the completion of works to form a new revetment, dredging between existing piles, complete soft dredging operations and excavate, dredging and dispose of rock in a marine environment and placement of bedding and levelling materials for concrete caisson units.

II.1.5. Estimated total value

Value excluding VAT: 15 000 000,00 GBP

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.3. Place of performance

NUTS code: UKM50 Aberdeen City and Aberdeenshire

Main site or place of performance: Aberdeen

II.2.4. Description of the procurement

Aberdeen South Harbour has been partially constructed. This procurement is for works that are required to complete specific elements of the outstanding works described in in this notice and prevent coastal erosion impacting on local infrastructure and loss of partially constructed works and associated potential impact on the marine environment.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 15 000 000,00 GBP

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 4

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Removal of rock through blasting has been used previously on the project. The process experienced considerable delays due to marine and environmental conditions.

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tendering parties will require to be a member of the European Dredging Association or other equivalent recognised trade body for dredging organisations.

III.1.2. Economic and financial standing

Minimum level(s) of standards possibly required:

Bidders will require to have an average yearly turnover of a minimum of 30 million GBP in the business area covered by the contract for the last 3 years. (ESPD Q4B1.2)

Bidders will be required to state the values for the following financial

Current Ratio = Current Assets/Current Liabilities.

An acceptable range will be 1.3 to 3

Solvency Ratio = After Tax Profit + Depreciation/Total Liabilities.

Minimum Value is 0.2 (or 20 %)

III.1.3. Technical and professional ability

List and brief description of selection criteria:

ESPD:

Technical Capability Questions are included within the ESPD. A total of 100 points are available.

Previous Experience 60 %

Environmental Management 15 %

Average annual manpower for the last three years 10 %

Relevant tools, plant or technical equipment available to you in relation to this procurement exercise 15 %

Only bidders whose scores which achieve 80 % or higher of the highest scoring bidder will be reviewed further for the tender stage.

ITT:

Quality/Technical – 75 %

Cost/Price – 25 %

As described more fully in the Invitation to Tender

III.1.4. Objective rules and criteria for participation

List and brief description of rules and criteria:

Availability of suitable plant, equipment and resources to meet Contract dates must be demonstrated and other criteria as set out in the procurement documents.

The appointed bidder will require the following insurances to be in place at contract award:

Employers Liability - Cover of not less than 20 million GBP for any one event.

Professional Indemnity - Cover of not less than 10 million GBP for any one event.

Protection and Indemnity - Dredging and Marine Insurance - Cover of not less than 25 million GBP for any one event.

III.1.7.

Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Interim Payments based on agreed Contract Activity Schedule.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

Details are provided within the tender information. Key aspects will include

- Ability to mobilise and commence works quickly,
- Nature of specialist equipment proposed and environmental benefits of such methodology and demonstration of effectiveness,
- Programme of works to substantial completion of rock removal by August 2020 and completion of all works prior to onset of winter season 2020.

III.2.3. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 15/06/2020 Local time: 12:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.2.4. Languages in which tenders or requests to participate may be submitted

English

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Duration in months: 3 (from the date stated for receipt of tender)

IV.2.7. Conditions for opening of tenders

Date: 15/06/2020 Local time: 13:00

Place:

Files will be unlocked by Public Contract Scotland tender portal.

Information about authorised persons and opening procedure: Files will be opened in the presence of Aberdeen Harbour Board Engineering Department and Doig and Smith Representatives.

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about electronic workflows

Electronic invoicing will be accepted

Electronic payment will be used

VI.3. Additional information

Economic operators may be excluded from this competition if they are in any of the situations referred to in regulation 58 of the Public Contracts (Scotland) Regulations 2015.

If a bidder is not able to provide the requested ESPD supporting documents, or withholds or misrepresents such information, this is a discretionary ground for exclusion

Opportunity is for immediate work requirements to safeguard the project Further tendering opportunities may be published in due course.

The Procurement is an Open procedure - Accelerated.

The Harbour has been partially constructed to date. Revetment works remain incomplete with uncertainty regarding the stability of the remaining structure. Without substantial works being undertaken there is a significant risk that erosion of the existing works will lead to further land slippage and risk to the adjacent roads infrastructure.

NOTE: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at https://www.publiccontractsscotland.gov.uk/Search/Search_Switch.aspx?ID=621860.

The buyer has indicated that it will accept electronic responses to this notice via the Postbox facility. A user guide is available at https://www.publiccontractsscotland.gov.uk/sitehelp/help_guides.aspx.

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems.

The Contracting Authority does not intend to include any community benefit requirements in this contract for the following reason:

The works will have a very limited duration and nature of the works will provide little opportunity for community benefits. The works are part of a wider project where community benefits are incorporated.

(SC Ref:621860)
