I.6. Main activity

Water

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

EU Call for Tender Regarding Supply of Grit Washers

II.1.2. Main CPV code

42996000 Machinery for the treatment of sewage

II.1.3. Type of contract

Supplies

II.1.4. Short description

Call for tender regarding supply of grit washers for Ejby Mølle Wastewater Treatment Plant and as an option Odense NV WWTP.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.3. Place of performance

NUTS code: DK031 Fyn

Main site or place of performance: Odense, Danmark.

II.2.4. Description of the procurement

VandCenter Syd A/S has planned an upgrading of the mechanical and electrical equipment at the inlet structure of Ejby Mølle WWTP situated in the city of Odense in Denmark. This upgrade include main equipment comprising 5 inlet screens, 6 screenings conveyors, 2 screenings washer and compactors, 2 grit washers and 4 reception containers for screenings and grit.

VandCenter Syd A/S also consider upgrading the inlet structure at the minor Odense NV WWTP. This upgrade include main equipment comprising 2 inlet screens, 2 screenings conveyors, 2 screenings washer and compactors, 1 grit washers and 2 reception containers for screenings and grit. The upgrade for Odense NV WWTP is included in this project as an option.

To identify and choose the best possible equipment for the upgrading of the inlet structure, VandCenter Syd A/S wish to tender and purchase all main equipment in a number of individual supply contract packages and have the equipment installed in a separate installation contract that also comprises de-sign of the mechanical arrangements based on the particular equipment from the supply contracts. In addition to the mechanical supply contracts VandCenter Syd A/S also tender the electrical panels and the electrical installation work separately.

Service agreements on the equipment for both Ejby Mølle WWTP and for Odense NV WWTP is included as options. For further information regarding the service agreements please see section see specification.

This specific call or tender include the following:

- supply of 2 No of grit washers, Ejby Mølle WWTP,
- Option 1: service agreement on the grit washers for a period of 5 years, Ejby Mølle WWTP,
- Option 2: supply of 1 No grit washer, Odense NV WWTP,
- Option 3: service agreement on the grit washer for a period of 5 years, Odense NV WWTP.

For a description of the requirements for the supply for both Ejby Mølle WWTP and Odense NV WWTP, please see the Specification and Functional Guarantee.

For a description of the terms and conditions of contract, please see NL92 incl. additions and deviations, together with the contract form.

II.2.5. Award criteria

Criteria below

Quality criterion - Name: Quality / Weighting: 30 %

Quality criterion - Name: Functionality / Weighting: 30 %
Quality criterion - Name: Service agreements / Weighting: 15 %
Price - Weighting: 25 %

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 5

This contract is subject to renewal: no

II.2.9. Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 5
Objective criteria for choosing the limited number of candidates:

The selection will be based on the technical and professional ability (references) of the applicant documented as stated in Section 2.2.1, Ad. 4, of the instruction to tenders.

The selection will be based on VandCenter Syds assessment of which of the applicants who have the most relevant references understood by VandCenter Syd as references, that are similar (both in size, type and content) to the tendered contract as described in the procurement material. In particular, reference for handling of municipal wastewater will be preferred.
