NUTS code: DK Danmark

#### **II.2.4. Description of the procurement**

The Nordic Council of Ministers are issuing a call for funding applications for a three-year project to provide possible answers to the question of how the Nordic model will be affected by the working life of the future. 4.1. Project content:

The project must:

- Identify and map the most important drivers and trends in the Nordic working life of the future.
- Analyse the main consequences, challenges and opportunities of these drivers and trends, and how they are likely to affect important policy areas in relation to the labour market, employment, occupational health, industrial relations and labour law in the Nordic Region.
- Use the analyses generated by the project as a professional platform for exchanging, discussing and analysing points of view on strategies and measures with which to face the opportunities and challenges for Nordic politicians, other international stakeholders, official agencies, employers and unions.

Topical areas and themes that can potentially be covered by the project:

- What are the primary drivers, trends and changes in the Nordic working life of the future? What are the most important problems, advantages and disadvantages in the employment, occupational health and labour law perspectives, and how are these affected by factors such as gender, age and national background?
- What plans, strategies and actions should be developed nationally and by the various stakeholders?
- Are any plans, strategies or initiatives in place to address current challenges? What are the different stakeholders' attitudes and positions on these trends and challenges? Appendix 1 contains a more detailed description of the project, including a longer and more itemised list of current topics and areas that the project also may touch on.

#### VI.4.3. Review procedure

Precise information on deadline(s) for review procedures:

Pursuant to Danish Act on The Complaints Board for Public Procurement (act no. 492 of 12.5.2010 with subsequent amendments — available at [www.retsinformation.dk](http://www.retsinformation.dk) ), the following time limits for filing a complaint apply:

Complaints regarding a candidate not being pre-qualified must be filed with The Complaints Board for Public Procurement within 20 calendar days starting the day after the contracting authority has sent notification to the candidates involved, cf. § 171(2) of the Danish act on Public Procurement (act no. 1564 of 15.12.2015 — available at [www.retsinformation.dk](http://www.retsinformation.dk) ) or § 7 (1) of the Danish Act on The Complaints Board for Public Procurement, provided that the notification includes a short account of the relevant reasons for the decision.

Other complaints must be filed with The Complaints Board for Public Procurement within:

- 1) 45 calendar days after the contracting authority has published a contract award notice in the Official Journal of the European Union (with effect from the day following the publication date).
- 2) 30 calendar days starting the day after the contracting authority has informed the tenderers in question, that the contracting authority has entered into a contract based on a framework agreement through reopening of competition or a dynamic purchasing system, provided that the notification includes a short account of the relevant reasons for the decision.
- 3) 6 months starting the day after the contracting authority has sent notification to the candidates involved that the contracting authority has entered into the framework agreement, cf. § 2(2) or § 171(4) of the Act on Public Procurement, provided that the notification included a short account of the relevant reasons for the decision.
- 4) 20 calendar days starting the day after the contracting authority has published a notice concerning his decision to uphold the contract, cf. § 185(2) of the Act on Public Procurement. The complainant must inform the contracting authority of the complaint in writing at the latest simultaneously with the lodge of the complaint to The Complaints Board for Public Procurement stating whether the complaint has been lodged in the stand-still period, cf. § 6(4) of the Act on The Complaints Board for Public Procurement. If the complaint has not been lodged in the stand-still period, the complainant must also state whether it is requested that the appeal is granted delaying effect, cf. § 12(1) of the said Act.

The e-mail of The Complaints Board for Public Procurement is stated in section VI.4.1.

The Complaints Board for Public Procurement's own guidance note concerning complaints is available at the internet address stated in section VI.4.1.
