Value of all contracts awarded in this notice: 100,00 EUR

Direct award

:

Justification for direct award: The periods for the restricted procedure and the negotiated procedure with prior publication of a contract notice are incompatible with the urgency resulting from a crisis

Other justification: A standard procedure, even with shortened deadlines, is not feasible to meet the urgent need for the availability of this type of vehicles, given, among other things, the lead time for a standard (accelerated) tender process (including preparation), the delivery time for the vehicles.
