## Section III: Legal, economic, financial and technical information

---

### III.1. Conditions for participation

#### III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement: tenderers must be a legally established company.

Documentation requirement:

Norwegian tenderers: company registration certificate

Foreign tenderers: verification that the company is registered in a trade index or a register of business enterprises as prescribed by the law of the country where the company is established.

#### III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement: the tenderer must have the economic capacity to implement the assignment

Documentation requirement:

The last annual financial statements including the board's annual report and audit report, as well as recent information of relevance to the company's fiscal numbers.

The contracting authority retains the right to obtain a credit rating from Bisnode to form the basis of the evaluation.

#### III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement 1: the tenderer must have experience from equivalent assignments.

Documentation requirement:

An overview of the most important assignments that the tenderer has carried out in the last 3 years that are of relevance to this contract, including the contract's value, date of delivery and name of the recipient.

Requirement 2: a good and well-functioning management system is required for quality assurance and environmental management for the services that will be delivered.

Documentation requirement:

Description of environmental management measures and quality assurance measures.

Tenderers can document that the requirement is fulfilled by presenting a copy of relevant environment certificates/environmental standards, such as ISO 14001, ISO 9001, EMAS, Miljøfyrtårn or equivalent or by the tenderer attaching a description of the company's own system and routines.
