**II.1.4. Short description**

A multi-lot framework agreement to provide an effective procurement route for accident and repair services for Hampshire Constabulary, Hampshire Fire and Rescue Service and Hampshire Transport Management. The Chief Constable of Hampshire Constabulary is the lead authority for this framework. The overriding objectives of the framework agreement are:

- to provide value for money;

- to provide a consistent quality of service and workmanship;
- to streamline processes.

The framework is divided into lots by vehicle type and the repair required. This framework operates under differing requirements by Lot. Suppliers will be allowed to bid for individual or all lots and will be awarded based on their capability.

#### **II.2.4. Description of the procurement**

This lot will be for the supply of accident and repair services to cars and light commercial vehicles. This lot will operate under a rotational basis for Hampshire Constabulary and a quotation process for named contracting authorities. It is proposed to appoint up to eight Bodyshops to this lot. The overall purpose of the new framework is to provide Hampshire Constabulary and its partners with suitably qualified organisations capable of providing vehicle repair services on a non-exclusive basis, covering all vehicles owned, leased or in the possession of the framework users. The scope of the work to be included, but are not limited to:

- inspection
- adjustment
- restoration
- replacement of assemblies and components
- general repair work
- small to medium area repair techniques (SMART).

The following locations are the workshop location of the framework users:

Hampshire Constabulary:

- Winchester — Bar End Ind Estate, SO23 9NP;
- Fareham — Unit 20/21, Fareham Ind Estate, PO16 8XB;
- Basingstoke — Unit 14/15 Lion Court, RG24 0QU.

Hampshire Fire and Rescue Service:

- Eastleigh Fleet Maintenance Centre, Leigh Road, Eastleigh, SO50 9SJ.

**VI.4.3. Review procedure**

Precise information on deadline(s) for review procedures:  
As the Public Contracts Regulations 2015 (SI 2015/102) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be started within thirty (30) days beginning with the date when the aggrieved party first knew or ought to have known that grounds for starting such proceedings had arisen. The Court may extend the time-limit for starting proceedings where the Court considers that there is good reason for doing so, but not so as to permit proceedings to be started more than three (3) months after that date. Where the contract has not been concluded, the Court may set aside the decision to award the contract or order the contracting authority to amend any document and may award damages. If the contract has been concluded, the Court may only award damages or where the award procedures have not been followed correctly, declare the contract to be ineffective.
