II.2.4. Description of the procurement

The tender project is seeking to appoint a Supplier whose initiative and innovation will be welcomed for the provision of cleaning services within the facilities for each of the Academies. The high quality service levels proposed should maintain excellent standards throughout, resulting in a pleasant environment for both the students and staff.

The basis and rationale that the Client requires the successful Supplier to operate to at all times, is being able to provide an environment that is fit for purpose and that the Supplier is proactive in the management of the contract, thus ensuring that all specifications are achieved and that the frequency of cleans is as detailed within the Tender Specification.

The contract being tendered is for three years in duration from 3.4.2018 until 2.4.2021, with the option to extend the contract term for a further term of up to 2 years and will be fixed price in nature, with the Contractor invoicing the Client for one-twelfth of the annual cost on a monthly basis.

It should be noted that the successful contractor will be expected to bring to the contract: innovation; new equipment; and cleaning methods, with BICSc standards being achieved as a minimum, thus ensuring that the highest levels of cleanliness are maintained in all areas at all times and also ensuring that the productivity of the cleaning operatives is enhanced moving forward into the new contract term.

The value of the current cleaning contract is circa 647 000 GBP + VAT per annum.
