I.4. Type of the contracting authority

Ministry or any other national or federal authority, including their regional or local subdivisions

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Review of policies for handling CO2 in waste incineration and in industry

Reference number: 23/709

II.1.2. Main CPV code

73000000 Research and development services and related consultancy services

II.1.3. Type of contract

Services

II.1.4. Short description

OED is reviewing the need to change the policy apparatus in order to facilitate handling CO2 in waste incineration and in industry in cooperation with the involved ministries. In order to ensure the best possible expert assessment basis and good progress in the review work, we have decided to obtain external assistance from consultants. The analysis work will be based on the existing knowledge basis, seen in connection with other relevant reviews, and will include a socio-economic consequence analysis of the policies that are assessed. See annex 1 of the contract for further details.

The notice includes an option for subsequent reviews of any new/proposed policies. If the review uncovers a clear and well-justified need to change the existing policy apparatus for CCS, and one or several measures appear as particularly relevant, the contracting authority could give the consultant the assignment of reviewing this in more detail.

II.1.5. Estimated total value

Value excluding VAT: 3 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

73200000 Research and development consultancy services, 73210000 Research consultancy services, 73220000 Development consultancy services

II.2.3. Place of performance

NUTS code: NO081 Oslo

II.2.4. Description of the procurement

OED is reviewing the need to change the policy apparatus in order to facilitate handling CO2 in waste incineration and in industry in cooperation with the involved ministries. In order to ensure the best possible expert assessment basis and good progress in the review work, we have decided to obtain external assistance from consultants. The analysis work will be based on the existing knowledge basis, seen in connection with other relevant reviews, and will include a socio-economic consequence analysis of the policies that are assessed. See annex 1 of the contract for further details.

The notice includes an option for subsequent reviews of any new/proposed policies. If the review uncovers a clear and well-justified need to change the existing policy apparatus for CCS, and one or several measures appear as particularly relevant, the contracting authority could give the consultant the assignment of reviewing this in more detail without a new notice.

The option is limited to a period of three months, and will be invoiced according to the time spent within a limit a NOK 500,000 excluding VAT.

The financial limit for the main assignment is NOK 2,500,000 excluding VAT. The estimated value of the procurement including options NOK 3,000,000 NOK excluding VAT.

The use of sub-suppliers is allowed, and we encourage tenderers to join up with the necessary competence in their tenders.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 3 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 8

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

The notice includes an option for subsequent reviews of any new/proposed policies. If the review uncovers a clear and well-justified need to change the existing policy apparatus for CCS, and one or several measures appear as particularly relevant, the contracting authority could give the consultant the assignment of reviewing this in more detail without a new notice. The option is limited to a three month period and has a limit of up to NOK 500,000, excluding VAT.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement: Tenderers must be a legally established company.

Documentation:

- Norwegian companies: Company registration certificate from the Unit Register for single-person companies that are not required to register.
- Foreign tenderers: Verification that the company is registered in an industry or business register as prescribed by the law of the country where the tenderer is established. The verification can be submitted in writing or by referring to BRIS.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement: Paid taxes and duties.

Documentation:

For Norwegian tenderers:

A certificate, not older than 6 months, which verifies that the tenderer has fulfilled the obligations of payment of taxes, social security contributions and VAT. The certificate can be ordered and obtained from Altinn by using a separate link on skatteetaten.no. If this is not possible, it can be ordered from the tax collector or the Norwegian Tax Administration. The certificate is electronically certified and is therefore not signed. For further information, see skatteetaten.no.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement: Tenderers must have sufficient ability and experience to be able to execute a contract of a similar nature and scope.

Documentation:

A description of up to three of the tenderer's most relevant assignments in the last three years, together with information on the contract's value, date of delivery or execution, and the name of the recipient (if possible).

Relevant assignments means qualitative and quantitative studies that include policies for climate measures, such as CCS. Tenderers are responsible for ensuring that the description is of such a nature that it verifies that the requirement has been met.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)
