The Royal Brompton and Harefield NHS Foundation Trust — our 2 hospitals – (Royal Brompton and Harefield) have prestigious histories as independent institutions specialising in the treatment and diagnosis of heart and lung conditions. Excelling in specialist patient care since 1843, more than 2 500 people work across both sites and each member of the team is dedicated to providing specialist, cutting-edge care. Alongside day-to-day care, our specialists conduct invaluable research. From this, we publish findings and make evidence-based decisions to ensure we're offering the best care to today's patients and future generations. The Trusts is sought a reliable, cost effective and value for money for the provision of autologous cell salvage devices and consumables.
