Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

the tenderer shall enclose with his tender all the documents and information required in point III.1 'Conditions for participation' of this notice and listed in Annex I 'Checklist of documents to be completed and provided' to the specifications.

The tenderer shall enclose a duly signed and dated solemn declaration stating that he is not in any of the situations which would exclude him from participating in a contract awarded by the European Union. The solemn declaration must take the form of the template published on the following page, in its entirety: http://ec.europa.eu/oib/procurement_fr.htm

NB: the successful tenderer must, on pain of exclusion, provide the following documentary evidence in support of the solemn declaration prior to contract signature.

NB: if groupings are awarded the contract, they must provide the solemn declaration along with the supporting documents and information for each individual member.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

— copy of the financial statements (balance sheets and profit and loss accounts) for the past 2 financial years, showing the annual pre-tax profit. If, for a valid reason, the tenderer is unable to provide them, he must enclose a statement as to annual pre-tax profits for the past 3 years. If the financial statements or the declaration show an average loss over the past 2 years, the tenderer must provide another document as proof of his financial and economic capacity, such as the appropriate guarantee from a third party (e.g. the parent company), statements from auditors, chartered accountants or equivalent.

Minimum level(s) of standards possibly required:

— for lot 2, the tenderer must provide proof of an average annual turnover, involving the sale of goods and services corresponding to this contract, of 800 000 EUR for the past 2 years.

III.1.3. Technical and professional ability

Minimum level(s) of standards possibly required:

Information and formalities necessary for evaluating whether requirements have been met: the tenderer must provide for each lot:
a list of supplies, stating the volumes and names of clients for the past 2 years, that are directly related to the lot tendered for, with the obligation to make, for each year, at least 3 deliveries amounting to 10 000 EUR each.

VI.3. Additional information

1) For the performance of lot 2, the following contracting authorities are located on several sites:

European Commission: 1049 Brussels, BELGIUM; 21027 Ispra VA, ITALY and L-2920 Luxembourg, LUXEMBOURG.

European Parliament: 1047 Brussels, BELGIUM; L-2929 Luxembourg, LUXEMBOURG and 67000 Strasbourg, FRANCE.

2) The specifications and additional documents (including questions and answers) will be available at the following web address: <https://etendering.ted.europa.eu/cft/cft-display.html?cftId=2659>

Interested parties are invited to register via the website. They will then be notified by the online public procurement system of any updates available for this invitation to tender. Parties not registered on the site are requested to consult it regularly. The Commission cannot be held responsible should tenderers not be aware of any additional information on this invitation to tender given on this website.

The website will be updated regularly; it is the responsibility of tenderers to check for any updates and modifications during the tendering period.

Additional information on contract terms, contract renewals, conditions for participation, minimum levels of capacity required, total estimated contract volume, etc. can be found in the specifications available on the aforementioned website. No paper version will be issued.

EMAS-certified since 2005, the OIB adopts an environmentally friendly attitude. EMAS is the eco-management and audit scheme, the EU voluntary instrument used by organisations to improve their environmental performance.

3) Executive agencies may be included in the contract as contracting authorities (within a limit of 10 % of the total contract value and for all the executive agencies taken together) if, at the time of publication of this invitation to tender, they were not yet officially set up or in the process of being set up and, consequently, no formal designation could be specified in the invitation to tender documents.

4) For further information on participating in invitations to tender and on the sequence of procedures for public procurement at the OIB, please consult the 'Guide for tenderers' and the brochure 'Doing business with the European Commission', accessible via the link: http://ec.europa.eu/oib/procurement_fr.htm
