Other type: public sector buyer

**I.5. Main activity**

Other activity: procurement and government consultancy

---

**Section II: Object**

**II.1. Scope of the procurement**

**II.1.1. Title**

Accelerated Construction Delivery Panel.

Reference number: MCE 17063

**II.1.2. Main CPV code**

70000000 Real estate services

### **II.1.3. Type of contract**

Works

### **II.1.4. Short description**

This framework will facilitate end-to-end delivery of public assets through a range of essential services. These cover development and renovation, to disposal and management. This includes funding applications, design proposals, energy consulting, architectural design, engineering consulting, project management and orchestration, estate management, cost management, master planning and all other disciplines. These disciplines are split into lots, which are detailed as part of this notice.

This framework is eligible for use by a range of contracting authorities. A list of of these authorities is included in a link as part of this notice. Suppliers will be called upon to quote for, and provide, services by these contracting authorities throughout the contract duration.

### **II.1.5. Estimated total value**

Value excluding VAT: 12 000 000,00 EUR

### **II.1.6. Information about lots**

This contract is divided into lots: yes

Tenders may be submitted for all lots

## **II.2. Description**

### **II.2.1. Title**

Accelerated Construction Delivery

Lot No: 1

### **II.2.2. Additional CPV code(s)**

71541000 Construction project management services, 72224000 Project management consultancy services, 71244000 Calculation of costs, monitoring of costs, 71242000 Project and design preparation, estimation of costs, 71240000 Architectural, engineering and planning services, 71410000 Urban planning services, 71356400 Technical planning services

### **II.2.3. Place of performance**

NUTS code: UK United Kingdom

Main site or place of performance: This procurement is designed to cover the entire public portfolio in the United Kingdom. However suppliers will be able to bid for works in their own specified regions.

### **II.2.4. Description of the procurement**

This lot covers four disciplines, which are as follows:

- Funding Applications (e.g. white papers for asset development, or renovation).
- Project Management.
- Cost Management.
- Developing Proposals.
- Planning Applications.

Suppliers will be evaluated on each of these areas for quality, pricing and technical submissions. Successful suppliers will show the capability to manage the development of public assets from start to finish. This is a Framework agreement with multiple eligible contracting authorities, so 'tasks' will be issued on an as needed basis.

### **II.2.5.**

## **Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

### **II.2.6. Estimated value**

### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 48

This contract is subject to renewal: yes

Description of renewals:

This contract is subject to renewal when the maximum value is reached or the duration expires, whichever comes first.

### **II.2.10. Information about variants**

Variants will be accepted: no

### **II.2.11. Information about options**

Options: no

### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

### **II.2.14. Additional information**

#### **II.2. Description**

##### **II.2.1. Title**

Project Management

Lot No: 2

##### **II.2.2. Additional CPV code(s)**

71541000 Construction project management services, 72224000 Project management consultancy services

##### **II.2.3. Place of performance**

NUTS code: UK United Kingdom

Main site or place of performance: This procurement is designed to cover the entire public portfolio in the United Kingdom. However suppliers will be able to bid for works in their own specified regions.

##### **II.2.4. Description of the procurement**

This lot covers project management for the development or renovation of public assets. This could involve working on complex projects with an array of different suppliers, and managers or agents acting on behalf of contracting authorities. As part of the evaluation process you will be asked to provide worked examples.

##### **II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

##### **II.2.6. Estimated value**

##### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 48

This contract is subject to renewal: yes

Description of renewals:

This procurement is designed to cover the entire public portfolio in the United Kingdom. However suppliers will be able to bid for works in their own specified regions.

#### **II.2.10. Information about variants**

Variants will be accepted: no

#### **II.2.11. Information about options**

Options: no

#### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

#### **II.2.14. Additional information**

### **II.2. Description**

#### **II.2.1. Title**

Engineering

Lot No: 3

#### **II.2.2. Additional CPV code(s)**

71300000 Engineering services

#### **II.2.3. Place of performance**

NUTS code: UK United Kingdom

Main site or place of performance: This procurement is designed to cover the entire public portfolio in the United Kingdom. However suppliers will be able to bid for works in their own specified regions.

#### **II.2.4. Description of the procurement**

'Engineering' is recognised as broad discipline, encompassing civil, structural, design, environmental and other areas. This framework is designed to facilitate the development or renovation of public assets on an as needed basis by multiple contracting authorities, and so different specialisms and suppliers will be required. Suppliers will be able to apply based on relevant specialisms, and will be asked to provide worked examples as well as credentials.

#### **II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### **II.2.6. Estimated value**

#### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 48

This contract is subject to renewal: yes

Description of renewals:

This contract is subject to renewal when the maximum value is reached or the duration expires, whichever comes first.

#### **II.2.10. Information about variants**

Variants will be accepted: no

### **II.2.11. Information about options**

Options: no

### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

### **II.2.14. Additional information**

#### **II.2. Description**

##### **II.2.1. Title**

Architecture

Lot No: 4

##### **II.2.2. Additional CPV code(s)**

71200000 Architectural and related services

##### **II.2.3. Place of performance**

NUTS code: UK United Kingdom

Main site or place of performance: This procurement is designed to cover the entire public portfolio in the United Kingdom. However suppliers will be able to bid for works in their own specified regions.

##### **II.2.4. Description of the procurement**

This is a framework contract designed to meet public sector requirements across a UK wide portfolio. Therefore the scope of architectural services will be broad, with services called upon on an as needed basis by eligible authorities over the wide region. Suppliers will be able to bid for specialisms within their regions of operation. The supplier will be asked to provide a worked example that covers at least one of the following architectural disciplines:

Strategic brief for the client;

Feasibility studies and options appraisal;

Project brief;

Concept design;

Detailed design;

Planning applications;

Contract Administration;

Rectification of defects;

Post Occupancy Evaluations.

##### **II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

##### **II.2.6. Estimated value**

##### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 48

This contract is subject to renewal: yes

Description of renewals:

This contract is subject to renewal when the maximum value is reached or the duration expires, whichever comes first.

### **II.2.10.**

## **Information about variants**

Variants will be accepted: no

### **II.2.11. Information about options**

Options: no

### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

### **II.2.14. Additional information**

#### **II.2. Description**

##### **II.2.1. Title**

Planning

Lot No: 5

##### **II.2.2. Additional CPV code(s)**

71240000 Architectural, engineering and planning services, 71356400 Technical planning services, 71400000 Urban planning and landscape architectural services, 71410000 Urban planning services, 90712000 Environmental planning, 90712100 Urban environmental development planning, 90712500 Environmental institution building or planning

##### **II.2.3. Place of performance**

NUTS code: UK United Kingdom

Main site or place of performance: This procurement is designed to cover the entire public portfolio in the United Kingdom. However suppliers will be able to bid for works in their own specified regions.

##### **II.2.4. Description of the procurement**

This lot covers the planning requirements for eligible contracting authorities throughout the United Kingdom. Planning encompasses asset development or renovation, from small to large scale projects including environmental planning, urban planning, technical planning, building planning and others. Services will be called upon on an as needed basis. Suppliers will be invited to provide worked examples of relevant specialisms and will be able to bid for services in their respective areas of operations.

##### **II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

**II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

**II.2.14. Additional information**

**II.2. Description**

**II.2.1. Title**

Property (Real Estate Services)

Lot No: 10

**II.2.2. Additional CPV code(s)**

70100000 Real estate services with own property, 70200000 Renting or leasing services of own property, 70300000 Real estate agency services on a fee or contract basis

### **II.2.3. Place of performance**

NUTS code: UK United Kingdom

Main site or place of performance: This procurement is designed to cover the entire public portfolio in the United Kingdom. However suppliers will be able to bid for works in their own specified regions.

### **II.2.4. Description of the procurement**

Contracting authorities will be using consultancy services through this framework to advise on how to finance the development of assets, which may then be disposed of, leased or rented under specific conditions or a variety of methods. There are a number of government funding schemes available, as well as innovative models of investment and disposal which connect the public and private sectors. These eligible authorities will require advice, and management of these processes in conjunction with project managers, funding applications, ecology and biodiversity considerations and more.

Services will be called off on an as needed basis. However suppliers who are successfully appointed to the framework will also be able to propose schemes to authorities.

### **II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

### **II.2.6. Estimated value**
