II.2.3. Place of performance

NUTS code: FI1B Helsinki-Uusimaa

Main site or place of performance: Approaches to Helsinki Vuosaari Port.

II.2.4. Description of the procurement

Hydrographic surveying services in the invitation to tender specified areas, data processing and deliveries as specified in the invitation to tender documentation.

The hydrographic surveys are to be performed with a professional quality MBES system and in a professional manner.

The prequalification is stated in this invitation to tender. All Tenderers, that will fulfill the required qualification are considered as eligible service providers. The Buyer will study the Tenders based on the requirements and may ask further clarifications.

The overall most economic survey work and deliveries from a qualified Tenderer is the decisive factor on choosing the winning Tender.

II.2.5. Award criteria

Price

II.2.11. Information about options

Options: yes

Description of options:

A price of additional MBES hydrographic survey work (24h and 12h) may be given in the quotation price form. Option prices shall be valid for 4 months from signing the Contract.

Option prices include all work, processing and deliveries, similar as ordinary work.

See the invitation to tender documentation.
