5.1.9. Selection criteria

Sources of selection criteria: Notice

Criterion: References on specified works

Description of selection criterion: Tenderers shall have carried out 3 relevant construction projects with the following requirements: * Opened for traffic at the latest 2 calendar months before the deadline for application for qualification, and a maximum of 10 years back in time calculated from the deadline for application for qualification * At least 1 of the projects must be executed as a turnkey contract, where the tenderer has had the role of turnkey contractor. * At least one project with a contract value above NOK 2 billion excluding VAT and the other two projects with a contract value above NOK 1 billion excluding VAT (contract value in NOK 2026 million). * The tenderer's own employees and employees in committed companies(s) have carried out a minimum of 15% of the actual total scope of the projects. Who shall meet the requirement: *Vendor Documentation requirements: Fill in and enclose the contracting authority's template for site references (R1). The contracting authority reserves the right to contact the listed reference persons directly and/or other sources in order to verify the information provided, as well as ask further questions regarding the tenderer's execution of the stated reference projects.

Criterion: Other economic or financial requirements

Description of selection criterion: Tenderers must not have tax and VAT arrears. Who shall meet the requirement: *Vendor * The tenderer's parent company * Companies that the tenderer will use through a commitment statement. * If several suppliers participate in the competition jointly (e.g. joint venture/working partnership), the requirement applies for each participant in the community. Documentation requirements: Tax and VAT certificate or equivalent documentation from the state where the company is established that shows that the tenderer has met the obligations to pay taxes, duties and social security contributions. The certificate or equivalent documentation must not be older than 6 months calculated from the deadline for applying for qualification.

Criterion: Enrolment in a trade register

Description of selection criterion: The tenderer shall be a legally established company. Who shall meet the requirement: *Vendor * The tenderer's parent company * Companies that the tenderer will use through a commitment statement. * If several suppliers participate in the competition jointly (e.g. joint venture/working partnership), the requirement applies for each participant in the community. Documentation requirements: Company Registration Certificate or equivalent documentation that shows that the company is legally established and registered. Norwegian companies require registration in the Register of Business Enterprises. Foreign companies are required to have registration in an equivalent company or trade register in the country where the company is established. The Company Registration Certificate or equivalent documentation must not be older than 6 months calculated from the deadline for receipt of tenders.

Criterion: Other economic or financial requirements

Description of selection criterion: Tenderers shall document their organisation (group structure and ownership etc.). Who shall meet the requirement: *Vendor* If several tenderers participate in the competition jointly (e.g. joint venture/working partnership), the requirement applies to each participant in the working partnership. Documentation requirements: Complete company map with legally correct company names and designations that show an overview of the ownership structure and group, as well as a statement of the country in which the different companies in the group belong. The company chart shall include parent companies and other shareholders, subsidiary and associated companies and ownership of these companies (including ultimate ownership). Listed companies shall provide information on a minimum of ten largest shareholders. The documentation shall be updated at the time of submitting the application for qualification.

Criterion: Subcontracting proportion

Description of selection criterion: Tenderers who will use the capacity of other companies to fulfil the qualification requirements shall demonstrate this. If the tenderer supports themselves on other entities to fulfil the requirements for economic and financial capacity, joint and several liability is required between the companies for the execution of the contract. If the tenderer supports themselves in other entities to fulfil the requirements for education and professional qualifications or the requirements of relevant professional experience, these entities shall carry out the services or construction work that requires such qualifications. Who shall meet the requirement: *Vendor* If several tenderers participate in the competition jointly (e.g. joint venture/working partnership), the requirement applies to the working partnership. * Companies that the tenderer will use through a commitment statement. Documentation requirements: The contracting authority's template shall be used for the delivery of a written and signed commitment statement from each committed company. The commitment declaration shall document that the tenderer has the right to use the necessary resources at the committed company. If the commitment statement is for fulfilment of the qualification requirements for economic and financial capacity, the obliged company shall, in addition, issue a special declaration of joint and several liability for the execution of the contract. The tenderer shall confirm in the ESPD form whether they will use the capacity of other entities. The obliged companies shall submit a separate ESPD form. Tenderers shall also submit an organisation chart or other written documentation with an overview of all the committed companies.

Criterion: Subcontracting proportion

Description of selection criterion: Working partnerships/joint venture shall highlight how the qualification requirements are fulfilled. Who shall meet the requirement: * Working partnership /joint venture Documentation requirements: Organisation chart or other written documentation with an overview of all participants in the community. Each participant in the group shall submit a separate ESPD form. Fill in the contracting authority's template for the working partnership /joint venture that shows how the group fulfils the qualification requirements and how the group will organise its activities to ensure satisfactory execution of the contract.

Criterion: Other economic or financial requirements

Description of selection criterion: The tenderer, the tenderer's parent company or sub-suppliers shall not, in the last five years calculated from the deadline for applying for qualification, be legally convicted or have accepted a wreath of punishable conditions as stated in the procurement regulations § 24-2 (2). Violations committed by a person in the tenderer's administration, management or supervisory body, or who has the competence to represent, control or make decisions in such bodies, juxtaposed with errors or transgressions committed by the tenderer himself. Who shall meet the requirement: *Vendor* The tenderer's

parent company * Companies that the tenderer will use through a commitment statement. * If several suppliers participate in the competition jointly (e.g. joint venture/working partnership), the requirement applies for each participant in the community. Documentation requirements: Printout from the penal register in its home country for the companies covered by the requirement. If such a printout is not issued in the tenderer's home country, the contracting authority will require a declaration of absence of rejection reasons, submitted under oath. If the tenderer, or persons with whom the tenderer is identified, has been legally convicted or has accepted a writ for offences mentioned above, the tenderer shall provide information on this, and possibly document which remedial measures have been carried out as a result of the violation.

Criterion: Certificates by independent bodies about quality assurance standards

Description of selection criterion: Tenderers shall be certified in accordance with ISO 9001: 2015 or equivalent quality assurance standard based on relevant European standard series, which are certified by accredited bodies. Who shall meet the requirement: *Vendor * If several tenderers participate in the competition jointly (e.g. joint venture/working partnership) at least 1 of the participants in the working partnership must fulfil the requirement. Documentation requirements: Copy of a valid certificate from an accredited body.
