Direct award

:

Justification for direct award: The contract can be provided only by a particular economic operator because of an absence of competition for technical reasons

Other justification: Que CAF Track Test Center, S.L. (TTC) es la única empresa que puede realizar los trabajos objeto de la presente contratación por los motivos técnicos que a continuación se exponen: Compatibilidad técnica con el nuevo material móvil destinado a la L6 de Metro de Madrid por reunir todas estas características: - Infraestructura adaptada para alcanzar velocidad de, al menos, 110 km/h. - Catenaria con 1.500 Vcc, tensión compatible con la del material móvil objeto de pruebas. - Infraestructura compatible en gálibo y captación de corriente del pantógrafo de los trenes a probar con catenaria. - Infraestructura de señalización adaptable, con posibilidad de instalación del sistema CBTC que será implantado en la Línea 6, permitiendo pruebas de integración reales en entorno controlado. Por todo lo anterior, no existe una alternativa viable a nivel técnico que permita garantizar la ejecución de las pruebas requeridas dentro de las condiciones del proyecto. En consecuencia, la adjudicación a CAF Track Test Center, S.L. mediante procedimiento negociado sin publicidad resulta justificada por razones técnicas, conforme al artículo 85 c) del Libro I del Real Decreto-ley 3/2020, de 4 de febrero.
