Precise information on deadline(s) for review procedures: (Name of host Trust) will incorporate a minimum 10 calendar day standstill period at the point information on the award of the contract is communicated to tenderers. This period allows unsuccessful tenderers to seek further debriefing from the contracting authority before the contract is entered into. Applicants have 2 working days from the notification of the award decision to request additional debriefing and that information has be provided a minimum of 3 working days before the expiry of the standstill period. Such additional information should be requested from your procurement lead on this tender process. If an appeal regarding the award of a contract has not be successfully resolved the Public Contracts Regulation 2006 (SI 2006 No 5) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be brought promptly (generally within 3 months). Where a contract has not been entered into the Court may order the setting aside of the award decision or order the authority to amend any document and may

award damages. If the contract has been entered into the Court may only award damages. The purpose of the standstill period referred to above is to allow parties to apply to the Courts to set aside the award decision before the contract is entered into.
