III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Norwegian tenderers are required to have fulfilled their tax and VAT payment obligations.

Certificate for tax and for VAT. Issued by the Norwegian Tax Administration.

The certificates shall be issued on the Tax Directorate's form RF-1316 or another form that provides the same information.

— The certificates shall not show significant arrears. The certificate should not be more than 6 months from the tender deadline.

— Foreign Tenderers must provide certificates from equivalent authorities to the Norwegian ones.

Tenderers are required to be a legally established company.

— The tenderer can document this by submitting a copy of the Company Registration Certificate. Foreign companies shall submit proof that the company is registered in a trade or business register as prescribed by the law of the country where the tenderer is established.

III.2.2. Economic and financial ability

List and brief description of conditions: The tenderer must have the economic capacity to carry out the assignment/contract.

Credit evaluation/rating, not older than 6 months, and which is based on the last known accounting figures. The rating shall be carried out by an officially certified credit rating institution. The rating must be at least A or better, measured against the AAA Soliditet's scale — or equivalent score from another reputable rating company.

If the tenderer's credit rating is not sufficient, for example a newly started company with a credit rating of AN, can still compensate for this by supplying adequate unconditional guarantees from banks and/or parent company with adequate credit rating. Any such alternative documentation shall follow as a part of the tender offer.

III.2.3. Technical and professional ability

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts
