1) Vattenfall AB, acting on it's own and on behalf of it's affiliates companies.

2) An application submitted by the Candidate to participate, including all the completed annexes.

The Candidate that showed interest in this tender by submitting an application to participate.

3) The certificate that states that the Candidate meets the minimum requirements for acquiring the project.

Criteria for exclusion:

The general grounds for exclusion from participation are the minimum requirements as stated in this document.

Suppliers are required to bid on individual lots and have the option to bid on a combination of lots. The evaluation criteria will consider the TCO of the combination of lots, including the administrative benefits.

4. The applicants have to note that the submission to tender has to be signed legally effective and that all explanations and proofs stated in the contract notice must be fully attached.

A reference to former applications is not sufficient. Submissions to tender which do not contain the required explanations and proofs can be excluded.

The awarding office reserves the right - without being obliged to or that the applicants are entitled to - to put in an additional demand for explanations and proofs.

5. In case the applicant for proof of performance within the participation contest wants to resort to resources of Third Party/Subcontractors he must also present the above mentioned proofs related to the Third Party/

Subcontractor and in addition a confirmation of the Third Party/Subcontractor in which he declares that he is willing to render services for this assignment.

6. The submissions to tender have to be sent in English language. The forwarding has to be effected in written form. Documents must be sent in until final deadline. The forwarding via Telefax or in electronic form, i.e. via email is not sufficient.

Lack of statements and explanations will not lead to compelling disqualification of the applicant but to depreciation within the qualifying evaluation.

The awarding office will survey the submissions to tender in a two-stage-procedure:

1. The pre-selection stage

— Check whether all required proofs and explanations are complete,

— Check whether exclusions for legal reasons are existent.

2. The bidding stage. The Candidates who fulfil all minimum requirements from the pre-selection stage are invited to submit a bid
