Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

OVEN/BOILER MAINTENANCE

Reference number: 2022/39

II.1.2. Main CPV code

90513300 Refuse incineration services

II.1.3. Type of contract

Services

II.1.4. Short description

Returkraft AS invites tenderers to a contest for the maintenance of an oven/boiler during annual maintenance stoppage at Returkraft's site.

A site inspection will be held at the site on 16.05.2022 from 12.30 - 15.00. Register by 12.05.2022, 14:00 hours.

The contract will be valid for 1 (one) year, with an option for a further 3 years (1+1+1 year) if Returkraft AS wants this.

Welcome to the tender contest!

II.1.5. Estimated total value

Value excluding VAT: 30 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

42160000 Boiler installations

II.2.3. Place of performance

NUTS code: NO092 Agder

Main site or place of performance: Returkraft AS, Setesdalsveien 205, 4618 Kristiansand, Norway.

II.2.4. Description of the procurement

Returkraft AS would like to sign a contract with a tenderer that has experience from different areas connected to work in and around our water-tube boiler. This particularly applies to help with our revision stops, but also for foreseen and unforeseen stops that occur between the maintenance stops. Returkraft AS currently has planned maintenance stops every 12 months. The next maintenance stop is scheduled for September 2023. The assignment is described in detail in Annex A - Requirements Specification.

II.2.5. Award criteria

Criteria below

Quality criterion - Name: Quality / Weighting: 40%

Price - Weighting: 60%

II.2.6. Estimated value

Value excluding VAT: 30 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 12

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

The contract will be valid for 1 (one) year, with an option for a further 3 years (1+1+1 year) if Returkraft AS wants this.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

1. Qualification requirement: Tenderers and any sub-supplier(s) must have fulfilled all their tax obligations.

Documentation:

To be submitted:

Updated tax and VAT certificate without arrears. The certificate must not be more than 6 months old.

2 Qualification Requirement: Tenderers must be a legally established company.

Documentation:

Norwegian tenderers and any sub-supplier(s) must present an updated company registration certificate.

Foreign tenderers (and any sub-supplier(s)) must provide updated certificate(s) of:

- statutory registration in the country where the tenderer is established
- documentation showing that the tenderer is registered in Norsk Foretaksregister (the Brønnøysund Register Centre), or that the tenderer will do obtain the certificate before the contract is signed.

3. Qualification requirement: Tenderers and any sub-supplier(s) must meet the requirements of Norwegian legislation with regard to health, safety and the environment (HSE).

Documentation:

An updated HSE self-declaration stating that the tenderer (and any sub-supplier(s)) meets, or if awarded the contract will meet, statutory requirements in Norway relating to health, safety and environment.

The self-declaration must be signed by a company representative and countersigned by one of the employees.

4. Qualification requirement: If a tenderer and any sub-supplier(s) plans to use hired foreign labour, sub-suppliers from abroad, or is himself a foreign registered company, the tenderer must comply with all the requirements in the laws and regulations on work in Norway. See point 2.4 in the tender documentation.

Documentation:

Tenderers and any sub-supplier(s) must submit a self-declaration that the tenderer has routines for and is aware of the obligations that lie with the company.

If a tenderer and any sub-supplier(s) will not use hired/sub-suppliers from abroad, this must be specifically stated in the tender letter.

5. Qualification requirement: Tenderers can have maximum one sub-supplier chain in the direct chain under them. A commitment statement is required for the use of a sub-contractor, as well as verification showing that the tenderer has right of use of the resources during the entire contract period. See point 2.3 in the tender documentation.

Documentation:

Tenderers must submit a commitment statement that confirms that the tenderer can use the resources throughout the entire contract period.

It must be clear if a tenderer will not use sub-suppliers.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

1. Qualification requirement: Tenderers and any sub-supplier(s) are obliged to take out and maintain required insurances for the non-life and liability events that can occur during the contract period.

Documentation:

Tenderers and any sub-supplier(s) must document their updated insurance.

The coverage area must include all relevant damages and responsibilities that can occur during the contractual relationship.

The coverage area must cover all geographical areas for the assignment during the entire contract period.

2. Qualification requirement: Tenderers must have complied with accounting obligations, and have sufficient economic and financial capacity to carry out the assignment.

Documentation:

Auditor approved annual accounts are required for tenderers for the last two accounting years that show positive equity.

If a tenderer has valid reasons for not being able to provide the documentation requested by Returkraft, the tenderer can prove his economic and financial position with any other document that Returkraft deems suitable (e.g., a bank guarantee).

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Qualification requirement: Tenderers must have welding procedures for typical boiler steel.

Tenderers must have the necessary certified welders to carry out the assignment.

Documentation: Tenderers must confirm and document welding procedures for the following typical steel qualities connected to boiler work:

Inconel® 625 (hard surfacing welding)

16Mo3 (boiler pipes)

P235 (steam/water pipes)

Attache welding certificates for relevant persons.

III.2. Conditions related to the contract

III.2.3. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with a single operator

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 07/06/2022 Local time: 12:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.2.4. Languages in which tenders or requests to participate may be submitted

Danish, English, Norwegian, Northern Sami

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Duration in months: 3 (from the date stated for receipt of tender)

IV.2.7. Conditions for opening of tenders

Date: 07/06/2022 Local time: 12:00

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no
