Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Framework agreement for the transport and treatment of sludge.

Reference number: 22/2000

II.1.2. Main CPV code

90510000 Refuse disposal and treatment

II.1.3. Type of contract

Services

II.1.4. Short description

The objective of the procurement is to enter into framework agreements in order to cover Lillehammer municipality's need for treatment of sludge and screenings. The framework agreement applies to the collection and transport of the municipality's sludge containers to and from sludge treatment plants, as well as the reception and treatment of the sludge. The agreement also includes flushing of sludge containers after the emptying. The sludge containers will be collected and delivered at the municipality's treatment plant at Fossbekk. When carrying out the contract, the work must be executed in accordance with applicable laws and regulations. It is expected that the tenderer itself is kept up to date on any changes in the legislation. For further information about the procurement's content, please see Part II of Annex 1 in contracting authority's requirement specifications.

II.1.5. Estimated total value

Value excluding VAT: 35 000 000,00 NOK
