The Christie NHS Foundation Trust is calling for expressions of interest to this Prior Information Notice from suitably qualified vendors of consumer entertainment/information platforms to work in partnership with the Trust. Ambition is to produce a patient information/entertainment platform delivering patient tailored content over wireless infrastructure to mobile devices within the Trust.

The Trust has extensive experience developing electronic patient systems and integrating disparate systems. We wish to leverage this expertise to work with a partner in developing a tightly integrated solution connected to our patient record to improve patient experience.

The partner vendor is expected to bring several areas of expertise and resource to the contract:

- Proven experience delivering multi-media entertainment via mobile devices.
- Existing licensing arrangements for movies, television, radio, magazines ebooks, and audiobooks.
- Software development human resource to work alongside Trust staff developing the product.

- Expertise in system integration.
- Service innovation.
- Capital resources.
- Business development expertise.

The Trust intends to use the Innovation Partnership procedure for any subsequent procurement process and is wishing to enter a long-term partnership with an organisation to develop a new patient focused extensible information/entertainment platform.

Interested organisations are invited to express their interest in this potential opportunity by contacting the Chief Information Officer via email at: fi.fitton@christie.nhs.uk before midday on 3rd of August.

Individual informal discussions will be held with interested parties who express an interest during August 2015. It should be noted that this engagement exercise in no way guarantees that a procurement exercise will be run at a later date. At this stage the purpose is to gather information and any organisations that participate do so at their own risk.
