### **IV.1. Type of procedure**

#### **IV.1.1. Type of procedure**

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

Justification for the award of the contract without prior publication of a call for competition in the Official Journal of the European Union:

Directive 2004/18/EC

##### **1) Justification for the choice of the negotiated procedure without prior publication of a contract notice in the OJEU in accordance with Directive 2004/18/EC**

The works, supplies or services can be provided only by a particular economic operator for the following reason:

technical

Extreme urgency brought about by events unforeseeable for the contracting authority and in accordance with the strict conditions stated in the directive.

No que tange à urgência imperiosa, cumpre referir que as não conformidades graves identificadas, que impedem as aeronaves de voar, não eram previsíveis quando se iniciou o processo de consignação, uma vez que era suposto que a empresa detentora do contrato de manutenção tivesse cumprido escrupulosamente as suas obrigações contratuais. Atendendo à necessidade de afetar 2 KAMOV ao Dispositivo, ainda no mês de julho, não é possível adotar outro tipo de procedimento. Apenas foi efetuado convite a uma empresa pelo facto do contrato de manutenção celebrado com a empresa Heliportugal ter terminado e também por apenas e somente a Everjets poder ser convidada devido à exclusividade do contrato de manutenção atenta a cláusula 15.<sup>a</sup> do mesmo.
