II.1.4. Short description of the contract or purchase(s)

The owner municipalities of Indre Østfold Data IKS (IØD) currently have two different financial systems: 5 of the municipalities use EDB Resource and Activity Management (ERV), whilst 1 municipality has Visma Enterprise.

IØD would like to establish a contract with one service provider for an ERP system for the owner municipalities. The system can be offered for installation in the awarding authority's premises and/or as a central system.

The municipalities shall have joint applications, but separate databases.

Spydeberg and Hobøl municipalities are in the process of establishing a joint accounting office, but, at the time of this tender's notice lack a political decision on this. These municipalities would like an option to use the new ERP system.

See separate attachment regarding options.
