##### **VI.3.2. Review procedure**

Precise information on deadline(s) for review procedures: Economic operators are referred to the Public Contracts Regulations 2006 and in particular regulations 47D and 47E which are set out as follows:

47D General time limits for starting proceedings.

(1) This regulation limits the time within which proceedings may be started where the proceedings do not seek a declaration of ineffectiveness.

(2) Subject to paragraphs (3) to (5), such proceedings must be started within 30 days beginning with the date when the economic operator first knew or ought to have known that grounds for starting the proceedings had arisen.

(3) Paragraph (2) does not require proceedings to be started before the end of any of the following periods:

(a) where the proceedings relate to a decision which is sent to the economic operator by facsimile or electronic means, 10 days beginning with:

(i) the day after the date on which the decision is sent, if the decision is accompanied by a summary of the reasons for the decision;

(ii) if the decision is not so accompanied, the day after the date on which the economic operator is informed of a summary of those reasons;

(b) where the proceedings relate to a decision which is sent to the economic operator by other means, whichever of the following periods ends first-

(i) 15 days beginning with the day after the day on which the decision is sent, if the decision is accompanied by a summary of the reasons for the decision;

(ii) 10 days beginning with:

(aa) the day after the date on which the decision is received, if the decision is accompanied by a summary of the reasons for the decision; or

(bb) if the decision is not so accompanied, the day after the date on which the economic operator is informed of a summary of those reasons;

(c) where sub-paragraphs (a) and (b) do not apply but the decision is published, 10 days beginning with the day on which the decision is published.

(4) Subject to paragraph (5), the Court may extend the time limit imposed by paragraph (2)

(but not any of the limits imposed by regulation 47E) where the Court considers that there is a good reason for doing so.

(5) The Court must not exercise its power under paragraph (4) so as to permit proceedings to be started more than 3 months after the date when the economic operator first knew or ought to have known that grounds for starting the proceedings had arisen.

(6) For the purposes of this regulation, proceedings are to be regarded as started when the claim form is issued.

47E Special time limits for seeking a declaration of ineffectiveness

(1) This regulation limits the time within which proceedings may be started where the proceedings seek a declaration of ineffectiveness.

(2) Such proceedings must be started-

(a) where paragraph (3) or (5) applies, within 30 days beginning with the relevant date mentioned in that paragraph;

(b) in any event, within 6 months beginning with the day after the date on which the contract was entered into.

(3) This paragraph applies where a relevant contract award notice has been published in the Official Journal, in which case the relevant date is the day after the date on which the notice was published.

(4) For that purpose, a contract award notice is relevant if, and only if-

(a) the contract was awarded without prior publication of a contract notice; and

(b) the contract award notice includes justification of the decision of the contracting authority to award the contract without prior publication of a contract notice.

(5) This paragraph applies where the contracting authority has informed the economic operator of-

(a) the conclusion of the contract; and

(b) a summary of the relevant reasons,

in which case the relevant date is the day after the date on which the economic operator was informed of the conclusion or, if later, was informed of a summary of the relevant reasons.

(6) In paragraph (5), the relevant reasons means the reasons which the economic operator would have been entitled to receive in response to a request under regulation 32(9).

(7) In this regulation, contract award notice means a notice in accordance with regulation 31(1).

(8) For the purposes of this regulation, proceedings are to be regarded as started when the claim form is issued.
