The Norwegian Ministry of Foreign Affairs on behalf of our ocean advisory group is inviting interested parties to participate in an open tender procedure to establish a contract for the purchase of technical support to the Our Ocean Conferences steering mechanism for the 2021, 2022 and 2023 Our Ocean Conference.

The aim of the Our Ocean Conferences is to promote a healthy and sustainable ocean by bringing together and mobilising voluntary commitments from governments, private sector and civil society.

A steering mechanism for the conferences was established on 2 June 2020, in the form of an advisory group consisting of past and confirmed future hosts and up to three special advisors invited by the advisory group, and chaired by the current host of the Our Ocean Conference.

The advisory group is intended to ensure greater continuity between conferences and in particular handle issues relating to securing future hosts.

The technical support services (TSS) will assist the Advisory Group and host countries with administration and upkeep of the registration tool for voluntary commitments and other running administrative tasks for the 2021, 2022 and 2023 Our Ocean Conference.
