Services

II.1.4. Short description

Aalto University (in the following "Customer" or "Aalto University") requests a tender for the Oracle Cloud implementation and Application Maintenance Support Services procurement. Aalto University has selected Oracle Fusion Cloud Products as its new Integrated Financial Backbone ('solution') to support user friendly financial operations supporting everyone in Aalto with digital, value adding service – now and in the future. The license contract with Oracle was signed late 2022.

With this tendering, we aim is to find an excellent world-class partner with a proven track record to help implement the solution and provide related application maintenance support services in the long term. The services in this tender comprise of implementation services, application maintenance and support services as well as resource services.

Detailed specifications and requirements are described in the invitation to tender and it's annexes. You can find the appendices by logging into the Hanki Service/Supplier portal.

The estimated total value of the procurement is 3 100 000 – 5 700 000 euros.
