no

#### **II.2.14. Additional information**

### **Section III: Legal, economic, financial and technical information**

---

#### **III.1. Conditions for participation**

##### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

Tenderers must be a legally established company. Documentation requirement:

- Norwegian companies: company registration certificate
- Foreign tenderers: a verification showing that the tenderer is registered in a trade index or business register as prescribed by the law of the country where the tenderer is established.

##### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Tenderers must have the financial capacity to carry out the assignment/contract.

Minimum level(s) of standards possibly required:

Documentation requirement: credit evaluation/rating, not older than 3 months, based on the last known accounting figures.

If the tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, (for example a newly started business), the tenderer can document their economic and financial position with any other document that the contracting authority deems suitable.

##### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

Necessary public licences to provide transport services in accordance with the assignment.

Sufficient capacity to fulfil the assignment. Sufficient capacity means:

- A. at least 5 vehicles + 1 spare vehicle;
- B. an administrative function suitable for handling the assignment;
- C. a sufficient number of drivers/helpers to fulfil the contract.

Minimum level(s) of standards possibly required:

Documentation requirement:

Self-declaration that the vehicles will be driven with the required licences.

A. An account of the equipment that the tenderer has at its disposal for fulfilment of the contract (type of vehicle). If a tenderer plans to procure vehicles, a procurement plan shall be enclosed that with a draft of what shall be procured, the financing, supplier and date of delivery.

B. A statement of the tenderer's average workforce and the number of employees in the administrative management during the last 3 years.

C. A description stating the number of drivers/helpers who will be available on a rota for the service provider.
