II.1.4. Short description

The Gloucestershire Consortium of 6 district councils, Gloucestershire County Council, and Gloucestershire Clinical Commissioning Group (led by Gloucester City Council) is 1 of 8 areas across England recently approved by the Department of Communities and Local Government (DCLG) for funding to commission an entrenched homeless Social Impact Bond service. Please see <https://www.gov.uk/government/news/pm-announces-areas-to-benefit-from-50m-fund-to-tackle-homelessness> for DCLG overview press release.

The new service will provide intensive support to a fixed cohort of 110 entrenched rough sleepers and repeat users of homeless services across Gloucestershire, with an expectation to develop innovative practice such as approximation of 'Housing First' methodology. Caseworkers will facilitate engagement with their clients and maintain long-term support — along every step of their journey from street to accommodation, including through setbacks.

Outcomes and outcome rates are pre-determined by DCLG, which include outcomes related to access and sustainment of accommodation, healthcare services, training and employment, etc. Full details are in the tender documents. The service provider will need to secure funding from a social investor to deliver the service; quarterly results will lead to quarterly payments from the DCLG via the commissioner, for the provider to pay the investor.
