##### **II.2.4. Description of the procurement**

The objective of lot 2 is to carry out the in-depth analysis of the data to be delivered on the basis of the Waste Statistics Regulation (Regulation (EC) No 2150/2002 of the European Parliament and of the Council) (extended by the food waste dataset, where applicable). Based on the results, the country visit programme in close cooperation with Eurostat will be continued. Moreover in the renewal period an update of the manual shall be drafted.

The analysis should result (i) in proposals on how to improve the comparability of statistics (e. g. by providing guidance to Member States and suggesting revisions to the manual on waste statistics), (ii) in an outline for the country visit programme including 3 country visits and (iii) in proposals for improvements of the waste statistics manual.

The contractor is expected to participate actively in the working group meetings on waste statistics in spring 2018 and in 2020. The contractor will prepare documents and a presentation of the work done under this contract for these meetings. Moreover, s/he will elaborate a revised draft of the waste statistics manual in the second contract period.

The volume of estimated human resources is 247 man-days for each 24-month contract, or 494 man-days over the maximum contract duration (4 years).
