Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: yes

Estimated timing for further notices to be published:

36 months from the date of contract award.

VI.3. Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement.

PARTICIPATING CONSORTIA AND MEMBERS

Not all consortia have given commitment to each and every lot. A summary of which lots each consortia will fully participate is provided in the procurement documents.

Full lists of consortia members are made available via the url provided in Annex A, and in the procurement documents: Consortia membership may be subject to change due to strategic realignment or the inclusion of new members.

EU FUNDING:

This framework may be used by institutions for purchases fully or part-funded by EU funds or Programs including but not limited to:

1. European Regional Development Fund (ERDF) or;
2. European Structural and Investment Fund (ESIF) or;
3. Research Councils UK (RCUK), the strategic partnership of the UK's seven Research Councils.

Direct award, by cascade or rotation

Further competition by desktop exercise or mini tender

E-auction

call-off methods are further detailed in the procurement documents

Institutions opting out of the Public Contracts Regulations and / or their partners that access this agreement are not bound by the call-off procedures which apply to Contracting Authorities
The award evaluation relating to product and service quality will be tested by way of samples being delivered and set up at the designated samples venue (provisionally at The University of the West of England, Bristol — dates to be confirmed). A product quality sub-criterion is 'aesthetics': The evaluation committee will be expansive and from various institutions and to ensure these aspects are evaluated free from any particular evaluator's 'taste'.
