Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Conclusion of framework contracts for the translation of legal texts from certain official languages of the European Union into Hungarian.

II.1.2. Main CPV code

79530000 Translation services

II.1.3. Type of contract

Services

II.1.4. Short description

The contract covers 6 lots (see section II.2)). All the lots are permanent, so that new requests may be accepted at any time during the performance of the contract. Framework contracts will be awarded by lot. The contracts will be for a term of one year, renewable by tacit agreement for up to three further periods of one year. The maximum number of framework contracts to be concluded for each lot is defined. A classification list of contractors will be drawn up on the basis of the award criteria. That list will determine the initial order in which, in the light of their output capacity and possible field of specialisation, contractors will be contacted in order to be offered specific work. This classification will be periodically renewed so that it reflects the actual quality of the services provided. During the performance of the contract, the classification may also be altered following the conclusion of new framework contracts or the termination of existing framework contracts.

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Participation in this call for tenders shall be open on equal terms to all natural and legal persons falling within the scope of the European Union Treaties and to all natural and legal persons established in a third country that has a special agreement with the European Union in the field of public procurement under the conditions laid down in that agreement.

Candidates must indicate the State in which they are established and submit the required evidence of that matter according to the law of that State.

Candidates must sign the declaration on their honour (available at the Internet address set out in point I.3)) concerning the exclusion and selection criteria, stating that they are not in any of the exclusion situations described in Articles 136 to 140 of Regulation (EU, Euratom) No 2018 /1046 of the European Parliament and of the Council.

If the candidate is a legal person (or a legal person that is part of a group) the exclusion criteria shall apply to the candidate and to each of the service providers presented by that candidate.

The following information must also be provided:

* if the candidate is a legal person (or a legal person that is part of a group):

- indication and evidence of the place of establishment,
- indication and evidence of the legal status, e.g. entry in the commercial register, entry in the VAT register, copies of the instruments of incorporation or constitution, in accordance with the provisions of the State in which the candidate is establishment,
- the identity of the persons having powers of representation, decision making or control over them.

* if the candidate is a natural person (or a natural person who is part of a group):

- declaration of self-employed status in the context of providing the services covered by the contract,
- declaration relating to liability to VAT.

Requests to participate must be written in such a way as to enable their evaluation to be complete, accurate and as rapid as possible, permitting the selection of the candidates who will be invited to tender. Candidates who have not provided sufficient information, by filling out the mandatory registration form available at the Internet address specified in point I.3) and attaching the documents and evidence indicated, may have their request to participate rejected.

The number of copies of the request must correspond to the number of lots to which it relates. The information necessary for the evaluation of the candidates' capacities must be provided in relation to each lot.

Candidates whose framework contract for the same lot has been terminated by the Court of Justice for lack of quality may also be excluded from participating in the contract for the lot concerned.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Not applicable.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Each candidate who is a natural person and each natural person engaged in providing the services concerned must have attained the following minimal level of technical and professional capacity:

- legal qualification (law degree obtained at a Hungarian university),
- perfect command of Hungarian (i.e. the target language),
- advanced knowledge of the source language.

Information and formalities necessary for evaluating whether the requirements are met:

- copy of the law degree certificate.

Per natural person and per lot:

- knowledge of the source language (method of acquisition, qualification(s), professional experience),
- knowledge of the target language (method of acquisition, qualification(s), other supporting evidence),
- (professional) experience, for the language combination of the lot, in translating and/or revising (legal) texts OR relevant (professional) experience in providing the type of services covered by the contract notice.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

The quality of the services provided must be such as to enable the translated texts to be used immediately, whether by publication or otherwise. Contractors must therefore ensure:

- compliance with the specific instructions given by the Court,
- correct, rigorous and precise use of the target language,
- rigorous use of the appropriate legal language and terminology of the target language,
- strict use of the legal terminology used in the reference documents (source and target languages),
- rigorous citation of the relevant legislative and/or judicial texts,
- use of the necessary legal databases (of the European Union and national),
- compliance with the “Vade Mecum” of the Court (if appropriate),
- delivery within the period agreed and specified in the order form.

III.2.3. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV: Procedure

IV.1.

Description

IV.1.1. Type of procedure

Restricted procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement
Framework agreement with several operators Envisaged maximum number of participants to the framework agreement: 120

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 03/09/2021

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.2.4. Languages in which tenders or requests to participate may be submitted

Hungarian

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Duration in months: 12 (from the date stated for receipt of tender)

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: yes

Estimated timing for further notices to be published:

The call for tenders is permanent for each lot. A new contract notice is expected to be published at the latest within 42 months of the entry into force of the first framework contracts.

VI.2. Information about electronic workflows

Electronic invoicing will be accepted

VI.3. Additional information

Signed requests to participate are to be sent by email (registration form (in the target language) signed, scanned and attached to the email) or by letter (registration form (in the target language) signed). Links to online storage spaces shall not be accepted.

On the basis of the evaluation of their capacities, the selected candidates will be invited to submit one tender (a minimum of 5 candidates per lot, provided that a sufficient number of candidates satisfy the selection criteria).

The lots being permanent, an evaluation will be made at regular intervals during the performance of the overall contract of new requests received after the time limit for receipt, provided that the maximum number of contractors for the lot has not been reached.

Participation in this procurement procedure is free and, as a consequence, does not confer on candidates/tenderers any right to require any financial compensation in respect of the costs incurred.

The selected candidates will be invited by email, written for administrative reasons in either English or French, to submit a tender.

The texts to be translated cover a range of legal subjects corresponding to the cases brought before the Court. Both the length of the texts and the degree of urgency with which their translation may be requested are variable. Examples of the types of texts to be translated may be consulted on the Court's website (<http://www.curia.europa.eu>).

Contractors will be asked to work on texts which have been first processed using computer assisted translation tools. Contractors will be asked to state whether they are prepared to familiarise themselves with such tools if it is necessary for any specific assignment. If they are not prepared to do so, contractors waive their right to receive any assignment for which such familiarity is required, whatever their classification on the list of contractors.

Any passages which have been pre-translated either in part or in full and provided to the contractor, either in the file to be translated or separately, will be deducted from the page count in the manner indicated in the framework contract.
