II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement:

- Tenderers must be a legally established company

Documentation requirement:

- Norwegian companies: Company registration certificate
- Foreign tenderers: Verification that the company is registered in a trade register or company register as prescribed by the law of the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement:

- Tenderers must have the economic capacity to carry out the assignment/contract.

Documentation requirement:

- The company's last Annual Financial Statements including notes, the Board's Annual Report and Audit Report, as well as recent information of relevance to the company's fiscal numbers.
- The contracting authority retains the right to obtain a credit rating from Bisnode Credit, which will be used as a basis in the evaluation.

If the tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, (for example a newly started business), the tenderer can document their economic and financial position with any other document that the contracting authority deems suitable.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement:

- Tenderers must have experience from corresponding services of an equivalent scope.

Documentation requirement:

- An overview of the most important services that the tenderer has carried out in the last three years, including the contract's value, date of delivery and name of the recipient.

Requirement:

- Tenderers must have good implementation ability

Documentation requirement:

- A statement of the tenderer's average workforce and the number of employees in the administration in the last 3 years.

Requirement:

- Tenderers must have a good and well-functioning management system for quality and the environmental.

Documentation requirement:

- Description of environmental management measures and quality assurance measures.

Tenderers can document that the requirement is fulfilled by presenting a copy of relevant environment certificates/environmental standards, such as ISO 14001, ISO 9001, EMAS, Miljøfyrtårn [Eco-lighthouse], or equivalent, or by the tenderer attaching a description of the company's own system and routines.

Section IV: Procedure
