2.1. Procedure

Title: Non-emergency patient transport (day vehicle) for Helse Bergen HF

Description: The objective of the procurement is to enter into framework agreements for the procurement of hourly vehicles for non-emergency patient transport on the way for Helse Bergen HF. Non-emergency patient transport on roads is a facilitated transport where the patient, in accordance with the current legislation, has the right to covering expenses for travel to and from treatment. Hourly cars are vehicles that drive on assignment for Patient journeys in the health company on an hourly basis. The hourly cars will be used on stretches where the service is required. The trips will usually start from the hospital area or in Bergenhus/Årstad district and will be awarded directly to the driver via Nissy or telephone.
