2.1. Procedure

Title: Project Management Led (PM) Multi Disciplinary Team for MMP Raheen

Description: IDA Strategic Property Team recently carried out an Area Based Traffic and Transport Assessment in Raheen to determine the key infrastructure measures required in Raheen Industrial Estate and its wider infrastructure network to tackle existing and future constraints in transport capacity to plan for future levels of development to facilitate projected growth in population and employment and to cater for and encourage sustainable mobility. Following on from this study, IDA Strategic Property Team is now seeking to appoint a Project Management Led Integrated Team to undertake and provide a site wide Mobility Management Plan. The Project Management led Design Team will manage and provide all relevant consultancy services with respect to the study, analysis of findings and future recommendations in relation to the Mobility Management Plan. In line with IDAs current strategy Adapt Intelligently A Strategy for Sustainable Growth and Innovation 2025-29, delivery of this project aims to assist in reducing IDA Ireland client carbon emissions. The study shall be informed by the emerging Transport Strategy for the Park which outlines multi modal short, medium and longterm solutions to enable sustainable growth. The appointed Consultant should consist of suitably qualified and experienced resources which can cover strategic planning, stakeholder engagement, behavioural change, and technical delivery. Key personnel should include, Project Director Manager, Transport Planner, Mobility Management Specialist, Stakeholder Engagement Lead, Data Analyst GIS Specialist and any specialist advisors required for the successful delivery of the project.
