## **Section III: Legal, economic, financial and technical information**

---

### **III.1. Conditions for participation**

#### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

Tax certificate

Norwegian tenderers shall enclose a tax certificate for taxes and VAT (Attest for skatt og merverdiavgift).

The tax certificate can be ordered from "Altinn" and shall not be older than 6 months calculated from the deadline for submitting a request for participation or a tender.

Trade register

Qualification requirement:

The Tenderer shall be enrolled in a trade register or a relevant professional register in the state which the Tenderer is established.

Please note that for Norwegian tenderers the wording "trade register" shall be understood as both "foretaksregister" and "handelsregister".

Documentation requirement:

Norwegian tenderers: "Firmaattest".

Foreign tenderers: A statement that shows the Tenderer's registration in a trade register or relevant professional register in the country which the Tenderer is established.

### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

The Tenderer must have adequate economic and financial standing that ensures the possible performance of the contract. Creditworthiness without a requirement for security will be enough to meet the requirement.

Minimum level(s) of standards possibly required:

A credit rating that is based upon the last known accounting figures. The rating must be performed by a credit information agency with a licence for such activities.

The Contracting Authority will, if necessary, obtain a credit assessment from a credit agency with a license to conduct such activities, as a supplement to the documentation provided in the offer.

If the Tenderer has a justifiable basis not to produce the documentation demanded by the Contracting Authority, it may document its economic and financial standing by presenting any other document that the Contracting Authority deem fit.

### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

Quality:

The Tenderer must have a good and well-functioning quality assurance and management system for the performance that shall be delivered.

Environment:

The Tenderer must have an environmental management system.

Minimum level(s) of standards possibly required:

Quality:

The Tenderer shall provide documentation of its quality assurance and management system.

The following documentation will be accepted:

- Certificate for the company's quality assurance and management system issued by an independent body that verifies that the Tenderer fulfils quality assurance standards as stated in ISO 9001 or equivalent, or
- A description that as a minimum includes the company's procedures/routines for:
  - Deviation and complaint processing
  - The process from the receipt and registration of orders, until delivery to the customer has occurred.

Environment:

The Tenderer shall provide documentation of its environmental management system. The following documentation will be accepted:

- Valid certificates issued by an independent body (for instance ISO 14001, EMAS, Eco-Lighthouse or equivalent), or
- A description of the Tenderer's own environmental management system.
