Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Norwegian tenderers must have their affairs in order with regard to the payment of tax, payroll tax and value added tax (VAT).

Tenderers must be registered in a company register, professional register or a trade register in the state where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Minimum level(s) of standards possibly required:

- a credit rating based on the most recent financial figures. The rating must be carried out by a credit rating company with a licence to conduct this service,
- in addition to the self-declaration, the equivalent must be presented for any sub-suppliers /collaboration partners.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have experience from comparable assignments.

Comparable assignments must be of the same nature as this tender contest, i.e., chassis with a back loader body.

Environmental management measures.

Minimum level(s) of standards possibly required:

Description of the tenderer's assignments in Norway in the last 3 years. The list must include a statement of the assignment's value, date and recipient (name, telephone number and email address). It is the tenderer's responsibility to document relevance through the description.

Tenderers must document that the company has third party environmental certification. ISO 14001 or equivalent.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

See the tender documentation.
