Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement: Tenderers must be a legally established company. Documentation: Certificate (company registration certificate) or confirmation of registration in a trade or business register as prescribed by the law of the country in which the tenderer is established. The certificate must not be issued more than 6 months prior to the tender deadline.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirements for economic and financial position.

Minimum level(s) of standards possibly required:

Requirement: Tenderers must have sufficient economic and financial capacity to carry out the assignment/contract. Documentation: A credit rating based on the most recent accounting figures. The rating must be carried out by a credit rating agency with a licence to provide such service.

Or

The company's annual accounts for the last two fiscal years, including the auditor's report, as well as recent information that is of relevance for the company's accounting figures, for example, the provisional accounts.

If a tenderer has a justifiable reason as to why the requested documentation cannot be presented, it can be documented by presenting a declaration from a financial institution on surety or other documentation that can prove the tenderer's economic and financial standing.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirements for technical and professional qualifications.

Minimum level(s) of standards possibly required:

#1 Experience:

Tenderers must have good experience from equivalent assignments. Documentation: A list of three relevant assignments carried out by the tenderer in the last 5 years, including information on the customer's name, the scope of the assignment, contract value, and date. The Contracting Authority reserves the right to contact the listed references to verify the scope and quality. See annex 3.

#2 Resources and capacity

Tenderers are required to have sufficient technical resources and capacity to fulfil the assignment in accordance with the contracting authority's needs. Documentation: Tenderers must attach an overview of personnel with relevant technical/specialist competence for the fulfilment of this delivery. Tenderers must have a minimum of 2 installers with experience relevant for this contract.
